

Psychic energy:

- All the instincts, including hunger, sex, and aggression are expressions of psychic energy.
- In physics there are different manifestations of energy such as, electricity, heat and light.
- The same situation occurs in psychology where energy can appear in various guises.
- Psychic energy is also provided from the external environment by ways of one's senses and feelings.
- This energy derived from both internal and external sources is continually being shifted and redistributed among the structures of the psyche.
