Expressions of Drunkenness (Four Hundred Rabbits) Anne Fox, Mike MacAvoy, 2011-01-07 The goal of this book is to contribute to the ongoing scholarly discussion on the very serious topic of drunkenness The phrase four hundred rabbits is one of many illustrations of the deep cultural religious and social influences on how individuals and communities view alcohol intoxication The Aztecs believed alcohol to have a divine origin with a god and goddess giving birth to 400 meaning innumerable in ancient Aztec divine children or rabbit gods each representing a varying degree and expression of alcohol intoxication and drunkenness Hence the book s subtitle which at first glance might seem light hearted but in fact represents an in depth look at a weighty topic With such rooted sociocultural factors in mind the International Center for Alcohol Policies ICAP and DrinkWise Australia collaborated to prepare a publication that advances current understanding of the individual and collective meanings purposes and functions of drunkenness As the authors explain interpretations by different disciplines of the terms intoxication and drunkenness are often inconsistent The chapters of this book discuss intoxication and drunkenness from three perspectives biological cultural and social By placing intoxication and drunkenness into these contexts the book is able to offer language and conceptual tools to help advance the ongoing discussion on how best to reduce alcohol related harm and encourage responsible enjoyment of beverage alcohol Readers in need of an in depth understanding of the varied dimensions of extreme drunkenness will add this excellent resource to their personal library
