Rebel King:

The Rebel King Kennedy Ryan,2023-06-27 From beloved RITA award winning author Kennedy Ryan comes the gripping passionate finale of the All the King s Men duology Though surrender is what Maxim Cade demanded of Lennix Hunter s body and heart she had other plans They were fast burning fascination and combustible chemistry the son of an oil baron and the Apache daughter at war with his family but she trusted him and he turned out to be a thief who stole her love Still if what they had was a lie why had it felt so real Now the man she swore to hate is about to have it all and he wants Lennix at his side But when the two of them are forced to face the unthinkable their rocky foundation is tested as is the invisible thread that seems to wind their fates together As they navigate a treacherous political landscape in their quest for justice Maxim and Lennix soon learn that power is a game and they are merely the pawns and players Facing insurmountable odds will they win the world or will they lose it all

Possess Jessa James,2021-01-22 There is something blooming between my captor and I hot and wet and fragile Lust Obsession Maybe it s even love But there are still secrets that stand between us looming large over whatever happiness we might find together Dangerous secrets Things worth killing over If I reveal my secret to Dryas he very well might die to protect me The last thing I want is to confront those that hurt me without him at my side But I might not get a choice if Dryas has his way

King Arthur's Knights Henry Gilbert,1911 Recounts the exploits of King Arthur and his knights at the court of Camelot and elsewhere in the land of the Britons

Creation Lucifer's Rebellion Preston Jeremy Cash,2019-12-31 This is the untold story about the one who was once the embodiment of perfection born of the light and praised by it and yet so sinful and rebellious It s the story of one who s been neglected and forgotten and now seeks to be whole once again with its other This is a story about a father who is filled with so much shining pride that it blinds him from seeing the darkness stained truth sitting under his very nose It s a story about the first war as well as the first sin told from the perspectives of those who were there to witness it See how one person s cause created a ripple which affected so many things You may think you know the story but sometimes a story is only as truthful as the mouth of the one who tells it in this case not from the mouth of the one whose story we follow but rather from the mouth of another

Buddhism and Violence Vladimir Tikhonov,Torkel Brekke,2012 It is generally accepted in the West that Buddhism is a peaceful religion The Western public tends to assume that the doctrinal rejection of violence in Buddhism would make Buddhist pacifists and often expects Buddhist societies or individual Asian Buddhists to conform to the modern Western standards of peaceful behavior This stereotype which may well be termed positive Orientalism since it is based on assumption that an Oriental religion would be more faithful to its original non violent teachings than Western Christianity has been periodically challenged by enthusiastic acquiescence by monastic Buddhism to the most brutal sorts of warfare This volume demolishes this stereotype and produces instead a coherent nuanced account on the modern Buddhist attitudes towards violence and warfare which take into consideration both doctrinal logic of Buddhism and the socio political situation

in Asian Buddhist societies The chapters in this book offer a deeper analysis of Buddhist militarism and Buddhist attitudes towards violence than previous volumes grounded in an awareness of Buddhist doctrines and the recent history of nationalism as well as the role Buddhism plays in constructions of national identity The international team of contributors includes scholars from Thailand Japan and Korea

Merlin Henry Benjamin Wheatley,1899 **The Gendered Language of Warfare in the Israelite-Assyrian Encounter** Cynthia R. Chapman,2018-07-17 Recognizing gendered metaphors as literary and ideological tools that biblical and Assyrian authors used in the representation of warfare and its aftermath this study compares the gendered literary complexes that authors on both sides of the Israelite Assyrian encounter developed in order to claim victory The study begins by identifying and tracing historically the presentation of royal masculinity in Assyrian royal texts and reliefs dating from the 9th through 7th centuries bce Central to this analysis is the Assyrian representation of warfare as a masculine contest in which the enemy male is discredited as a rival through feminization The second part of the study focuses on the biblical authors responses to the Assyrian incursion and demonstrates that the dominant metaphorical complex for recording and remembering Israel and Judah s military encounters with Assyria was that of Jerusalem as a woman This section therefore traces the evolving canonical biography of Jerusalem the Woman as her life story is told and remembered in relationship to Assyria In the final section of the book the contest of royal masculinity described in royal Assyrian texts informs the reading of the redactional history of Judah s memory of Assyria and the insights gained from the study of a feminized Jerusalem are applied to a rereading of the siege scenes of the Assyrian palace reliefs Innovative in its use of gendered language as the basis for historical comparison of biblical and Assyrian texts this book is the first to offer a comprehensive methodology for defining and assessing the impact of gendered language within texts of historically linked cultures This book also advances the discussion of what has been called inner biblical exegesis by offering gendered metaphors as a lens through which to trace the evolution of Judean social memory within the biblical text
