Rebels And Radicals:

Rebels in Bohemia Leslie Fishbein, 1982 *Rebels in Bohemia The Radicals of The Masses 1911 1917* **Revolutionary Founders** Alfred Fabian Young, Alfred F. Young, Gary B. Nash, Ray Raphael, 2011 Explores the founding fathers more radical contemporaries who advocated for true liberty for all at the United States inception including the abolition of slavery and equality despite race class or gender *101 Changemakers* Michele Bollinger, Dao X. Tran, 2012 [When God was King](#) Martyn Whittock, 2018-04-20 Islam is not the only religion that has sought to take political power or believed that it should be possible to create a theocracy In the 17th century Christians in the British Isles and North America attempted to follow the examples of 16th century European radicals of contrasting types while attempting to learn from their mistakes first in Scotland and then Cromwell tried to impose just such a rule in the rest of the country At the same time millenarian groups planned a religious political and social revolution to usher in the return of Christ while others argued for something akin to communism And even after the Restoration of the monarchy in 1660 there were sects such as the Quakers whose faith had a radical impact on their politics Nor is Christian political radicalism dead today it has influenced politicians ever since and can be seen in recent political developments in the USA in the twenty first century This book is a fascinating study of the ideas and actions of these political radicals and the kind of societies and life experiences that produced them [Rebels, Reds, Radicals](#) Ian McKay, 2005-04-28 In this brilliant and thoroughly engaging work Ian McKay sets out to revamp the history of Canadian socialism Drawing on models of left politics in Marx and Gramsci he outlines a fresh agenda for exploration of the Canadian left In rejecting the usual paths of sectarian or sentimental histories McKay draws on contemporary cultural theory to argue for an inventive strategy of reconnaissance This important groundbreaking work combines the highest standards of scholarship and a broad knowledge of current debates in the field *Rebels Reds Radicals* is the introduction to McKay's definitive multi volume work on the history of Canadian socialism volume one *Reasoning Otherwise Leftists and the People's Enlightenment in Canada 1890 1920* is now available **CQ Press Guide to Radical Politics in the United States** Susan Burgess, Kate Leeman, 2016-03-11 This unique guide will provide an overview of radical U S political movements on both the left and the right sides of the ideological spectrum with a focus on analyzing the origins and trajectory of the various movements and the impact that movement ideas and activities have had on mainstream American politics The work is organized thematically with each chapter focusing on a prominent arena of radical activism in the United States The chapters will trace the chronological development of these extreme leftist and rightist movements throughout U S history Each chapter will include a discussion of central individuals organizations and events as well as their impact on popular opinion political discourse and public policy For movements that have arisen multiple times throughout U S history nativism religious radical labor separatists the chapter will trace the history over time but the analysis will emphasize its most recent manifestations Sidebar features will be included in each chapter to provide additional contextual information to facilitate

increased understanding of the topic *The radicals* Thomas Francis Wade, Sir Walter Hillier, 1903 **Relations Between President Lincoln and the Radicals in Congress During the Civil War** Victor Louis Haas, 1926 **The Congressional Globe** United States. Congress, 1867 **Sporadically Radical** Steffen Jensen, Henrik Vigh, 2018-09-11 What makes young men willing to risk their lives by enrolling in violent organizations How do these organizations persuade young men to do so In the age of radicalization these questions are central to most debates about politics and globalization Through long term ethnographic fieldwork in various conflict settings this volume explores both the violent organizations that entice young people to engage in conflict and how these same young people answer the call It takes the reader into the worlds of Maoists in Nepal ex combatants mercenaries religious zealots and drug dealers in West Africa violent student politics in Bangladesh ethno nationalist vigilante groups in Kenya both sides of the war between LRA and the Ugandan state as well as gang like fraternities in the Philippines When researched in situ and in depth these mobilizations show themselves to be multiple performative and temporary just as people may show themselves to be more sporadically radical than ideologically locked down *New Masses* ,1926 **Mobilization, Factionalization and Destruction of Mass Movements in the Cultural Revolution** Joshua Zhang, Philip Monte, James Wright, 2020-06-05 Based on a unique survey of Chinese respondents the authors find that participation in social movements during the Cultural Revolution was motivated by the desire to improve social status or maintain existing positions in the social hierarchy A strong relationship is noted between factional alignment and family background in provinces immersed in class based struggle however the association becomes nil in provinces where sectarian struggle was grounded in class The authors assert that the social conflict school has failed to adequately examine sectarian internecine fights among rebels in attempts to explain the mass movements while the political process school has ignored fundamental social conflicts embedded in Chinese society Potential pitfalls likely to confront future mass movements are identified **The Nation** ,1872 *Andrew Johnson* Robert Watson Winston, 1928 **The War of the Rebellion** ,1902 **Coal and Coal Trade Journal** ,1919 *Diary of Gideon Welles* Gideon Welles, 1911 **The New York Times Index** ,1922 **Tired Radicals, and Other Papers** Walter Edward Weyl, 1921 **The New Statesman** ,1928
