Moving Jesus Beyond the Pulpit Dr. Sunday J. I. Etsekhume,2014-05-29 Moving Jesus beyond the Pulpit Doing It the Community Way Can Help Church Growth describes the challenges facing Christianity and the church Although these challenges are very significant they help to boost the efforts of the present disciples of Christ to be good ambassadors to the world What prompted the writing of this book is that author Sunday J I Etsekhume clamored for a dramatic change in the way some churches do outreach Some churches only prefer to do outreach from the pulpit but ignored the practice in the community where they are situated The book also describes various ways in which the church can show love and care which indicates the various ways that can portray the church healthiness For I was hungry and you gave Me food I was thirsty and

you gave Me drink I was a stranger and you took Me in I was naked and you clothed Me I was sick and you visited Me I was in prison and you came to Me Matthew 25 35 36 The book also argues against the idea that church leaders would not compromise their positions as spiritual leaders due to financial insufficiencies in order to become fleshy leaders The arguments further center on how the church can do evangelism without jeopardizing church principles and some of the Christian rules of conduct Finally the book focuses on the pulpit where sermons are preached without the preachers practicing what they preached hypocrisy Dr Etsekhume has written an insightful thoughtful and thought provoking rationale for getting back to basics in terms of the way the Church approaches ministry Moving from pulpit to pew from leadership to follow ship and from minister to member Dr Etsekhume identifies the spiritual organizational and interpersonal challenges facing the Church and recommends Scriptural principles for addressing them By turns compassionate and passionate Moving Jesus Beyond the Pulpit is a wonderful reminder of the restorative renewing and revitalizing power of Christ both in the congregation and in the community at large Minister Sonja A West Associate Minister Mariners Temple Baptist Church New York NY Dr Sunday Etsekhume analyzes some of the issues that address the Church both from inside the institutional church and issues in the context that hinder the mission of the Church In this book one finds thoughtful and pragmatic methods for addressing some of the problems of the church and the larger community Moving Jesus Beyond the Pulpit is an important work that will be beneficial both to the church and the academy I highly recommend this work Dr Cleotha Robertson Ph D Assistant Professor Department of Old Testament at Alliance Theological Seminary New York City and the Senior Pastor Sound View Presbyterian Church Bronx New York [Pennsylvania Game News](#) ,1981 **Books in Print** ,1991 *The Publishers Weekly* ,1981 [Norman Mailer](#) Michael Lennon, Donna Pedro Lennon, 2000 **National Union Catalog** ,1982 Includes entries for maps and atlases *Books Out-of-print* ,1986 **The Athenaeum** ,1894 *Theatrical Designers* Thomas Mikotowicz, 1992-04-13 This book provides biographical and analytical data on significant historical and contemporary practitioners and theorists of the theatrical design field who have contributed to the development of the art Beginning with a historical survey on the evolution of theatrical design the volume features entries on some 270 set costume lighting and theatre building designers mainly dating from the fifteenth century to the present Coverage is international with a necessary emphasis on the United States and Western Europe Essays of varying length describe and evaluate the career and contributions of each designer providing information on positions productions and awards and generally ending with sources for further reading Particularly valuable are the detailed chronological listings of design credits given as available mainly for prominent twentieth century figures Appendixes to the volume list the designers chronologically by birth date and also by country of birth The volume ends with an annotated general bibliography on theatre design and designers and an index The only reference book specifically dedicated to theatrical designers its coverage will significantly extend the information contained in more general works on theatre presently available for library research
