Free Your Pen Jessica Davidson, 2017-05-23. *Free Your Pen* is a meditation practice designed to shut down the inner critic and dissolve the fears that block your writing. Based on the Buddhist practice of mind training with slogans, this is a practical guide to freeing your mind from bad habits and emotional blocks. It includes chapters on each of the slogans plus writing exercises designed to free your pen. Whether you struggle to write or not, this book will help you to free your mind from fear and doubt. Write courageously with increased self-knowledge. Discover your authentic writing voice. Become the writer you were born to be. As a writer, your mind is your most valuable resource, but you tend to take it for granted. You wouldn't go for a run without warming up, and you wouldn't run a marathon without training first. Writing is the same. *Free Your Pen* explores the importance of mind training for writers and gives you the tools you need to take back control of your mind. When you free your mind, your pen will follow.
