**The 1728 Musin Rebellion** Andrew David Jackson, 2016-01-31 The 1728 Musin Rebellion Politics and Plotting in Eighteenth Century Korea provides the first comprehensive account in English of the Musin Rebellion an attempt to overthrow King Y ngjo 1694 1776 r 1724 1776 and the largest rebellion of eighteenth century Korea The rebellion proved unsuccessful but during three weeks of fighting the government lost control of over a dozen county seats and the rebels drew popular support from the inhabitants of three southern provinces The revolt profoundly unsettled the early years of Y ngjo's reign and had considerable influence on the subsequent course of factionalism In this keenly reasoned study Andrew David Jackson investigates the causes development suppression legacy and significance of the bloody Musin Rebellion The Musin Rebellion had its roots in the factional conflicts surrounding Y ngjo's troubled succession to the throne Jackson analyzes an aspect of the conflict previously neglected by researchers namely how the rebels managed to create an armed rebellion He argues that the rebellion should be understood in the context of other attempts on power by factional members that occurred over a hundred year period leading up to 1728 By exploring the political and military context of the event the book demonstrates that the Musin Rebellion was not driven by systemic breakdown regionalism or ideology but was a failed attempt by political players to take control of the court Central to the eruption of violence in 1728 was the intervention of key rebel plotters several of whom were serving officials with access to state military resources The book provides an in depth view of factional politics in the Chos n court and the final section deals with the rebel legacy bringing to the fore issues about managing forming and directing the historical memory of the rebellion

**The Three Sui Quash the Demons' Revolt** ,2010-08-04 The twenty chapter novel The Three Sui Quash the Demons Revolt is traditionally attributed to Luo Guanzhong d after 1364 the alleged author of two of China s most famous and beloved works of fiction The Romance of the Three Kingdoms and The Water Margin The Three Sui tells the story of the uprising of adherents of the Maitreya Buddha led by Wang Ze in 1047 1048 Wang Ze was eventually executed and all future heterodox activity outlawed Paradoxically The Three Sui treats the rebellion as an occasion for slapstick baggy pants humor in which facts are distorted and wildly mixed with fiction Wang Ze s real life lieutenants show up as a comical peddler and a mysterious Daoist priest A celebrated warrior takes part in the rebellion despite having died seventeen years earlier Although the novel is divided into chapters and otherwise follows the traditional format for such extended narratives a careful examination reveals The Three Sui is an arrangement of self contained vernacular stories No story bears an intrinsic relationship to any other story And because the integrity of the various stories has been so remarkably preserved The Three Sui is a vernacular novel in which the vernacular story reigns supreme Although the Wang Ze rebellion took place during the Northern Song dynasty 960 1127 ultimately The Three Sui is the story of the Ming dynasty 1368 1644 in Song masquerade It calls attention to the social unrest even anarchy caused by the rising power and influence of movements like The White Lotus Society and warns of the Ming s downfall unless such groups are contained In this the novel proved to be a prescient voice The Ming collapsed as the result of a central authority weakened by mass sectarian uprisings The Three Sui has been little known and sadly overlooked by scholars of Chinese literature and

history Now this vibrant translation and insightful interpretive essay make this early example of Chinese vernacular fiction available to a broad audience interested in comparative literature and fiction *To Rebel is Justified* Shaorong Huang,1996-10-04 Differentiating from other studies on China's cultural revolution movement CRM which mostly have focused on the intra party power struggle the hypnotizing power of the cult of the individual or the cruelty of man made class struggle this book describes examines and evaluates the major rhetorical theme of the movement which is summarized in the slogan rebellion is justified The orienting model for this criticism is William R Brown's theory of social intervention The three sub systems of Brown's model needs power and attention switching are used to explain respectively the growth and development of Mao's needs for change the people's response to Mao's call for rebellion and the rhetorical strategies employed by Mao and Maoists to shape the symbolic realities of the audience This is the first book to analyze the CRM rhetoric using communication theories *Historical Dictionary of Chinese Culture* Lawrence R. Sullivan,Nancy Liu-Sullivan,2021-03-29 Covering wide ranging topics from the arts and entertainment to customs and traditions from the ancient imperial and modern eras *Historical Dictionary of Chinese Culture* provides more than 300 separate entries along with a comprehensive chronology glossary of Chinese cultural terms and an extensive bibliography of Western and Chinese language sources Dictionary entries of the decorative and fine arts include ceramics and porcelains handicrafts jade and seal carving jewelry and painting The literary subjects range from fiction to non fiction but especially poetry Major entertainment venues of cinema and film classical puppetry and theater both ancient and modern are also covered In addition to the arts the authors include major customary practices from childbirth and childrearing to marriage and weddings to funerals and burial practices Other aspects of the culture are also examined including crime foot binding pornography and prostitution and the government policies aimed at their eradication Throughout the text Chinese language translations of key terms are presented in italics and parenthesis along with biographies of figures central to the creation of China's magnificent cultural heritage **"The" Historians' History of the World** Henry Smith Williams,1907 *The Hung Society Or the Society of Heaven and Earth* John Sebastian Marlow Ward,William George Stirling,1925 *Through Hidden Shensi* Francis Henry Nichols,1902 **The Historians' History of the World: Poland, The Balkans, Turkey, Minor eastern states, China, Japan** Henry Smith Williams,1904 *Sectarianism and Religious Persecution in China* ,1904 *The Millions* ,1875 **The Railroad Trainman** ,1900 *The Chinese Recorder and Missionary Journal* ,1905 *The Phoenix* ,1871
