Fieldwork in Ukrainian Children's Literature Mateusz Świetlicki, Anastasia Ulanowicz, 2025-03-24

Fieldwork in Ukrainian Children's Literature showcases the work of prominent scholars of children's literature from Ukraine and the diaspora as it traces the history of books written, marketed for, and circulating among young people since the rise of Ukraine's nationhood in the nineteenth century. This book encompasses a full range of texts and genres, e.g., fiction, nonfiction, poetry, picturebooks, graphic novels, with special attention given to the most important authors and works as defined by aesthetics, literary excellence, popularity, or historical and cultural significance. In its focus on ideology and historical context, the collection takes an interdisciplinary and transnational approach. It places titles and trends in broader context, considering the socio-political situation, changing taste, and the history of institutions that shape the production and reception of children's literature. The collection addresses folklore and the beginnings of a distinct tradition of Ukrainian children's literature produced in the nineteenth century, the role played by children's literature in the maintenance of the Ukrainian literary tradition during the Soviet era, and the flourishing Ukrainian book market with the appearance of numerous new genres and forms, and the growing significance of Ukrainian books around the world. The collection highlights the importance of familiarizing non-Ukrainian students and scholars of children's literature with the richness of the country's literary history and cultural distinctiveness. Fieldwork in Ukrainian Children's Literature is intended primarily for scholars of children's literature and culture, including specialists in the fields of literary studies, education, and Slavic studies.

Laboratory of Modernity Serhiy Bilenky, 2023-10-15

When the powers of Europe were at their prime, present-day Ukraine was divided between the Austrian and Russian empires, each imposing different political, social, and cultural models on its subjects. This inevitably led to great diversity in the lives of its inhabitants, shaping modern Ukraine into the multiethnic country it is today. Making innovative use of methods of social and cultural history, gender studies, literary theory, and sociology, Laboratory of Modernity explores the history of Ukraine throughout the long nineteenth century and offers a unique study of its pluralistic society, culture, and political scene. Despite being subjected to different and conflicting power models during the nineteenth and early twentieth centuries, Ukraine was not only imagined as a distinct entity with a unique culture and history but was also realized as a set of social and political institutions. The story of modern Ukraine is geopolitically complex, encompassing the historical narratives of several major communities, including ethnic Ukrainians, Poles, Jews, and Russians, who for centuries lived side by side. The first comprehensive study of nineteenth-century Ukraine in English, Laboratory of Modernity traces the historical origins of some of the most pressing issues facing Ukraine and the international community today.

Culture and Customs of Ukraine Adriana Helbig, Oksana Ritz-Buranbaeva, Vanja Mladineo, 2008-11-30

Ukraine's tumultuous history has left it standing on unstable ground, wrought with the devastation of the 20th century's wars, famines, and other struggles. Today, life in Ukraine is moving forward, stepping

out of the shadows of Communism and into a modern urban and multicultural light finally gaining for itself a sense of national identity Now a cultural hotspot that serves as a crossroads between Europe and Asia Ukraine's traditions of yesterday are evolving into today's daily life and customs High school and undergraduate students will have the opportunity to delve into Ukraine's modern society by looking at its religious practices language conflicts gender issues education policies and media censorship struggles as well as its cuisine holidays literature music and performing arts A thorough and unique investigation of this young country Culture and Customs of Ukraine is an absolute must have for high school public and undergraduate library bookshelves Coverage includes historical background religions language gender education customs holidays and cuisine media literature music and Ukrainian theatre and cinema in the 20th century A chronology photos and bibliography including print and nonprint sources supplement this work

The Immeasurable World William Atkins, 2018-07-24 Winner of the Stanford Dolman Travel Book of the Year UK William Atkins is an erudite writer with a wonderful wit and gaze and this is a new and exciting beast of a travel book Joy Williams In the classic literary tradition of Bruce Chatwin and Geoff Dyer a rich and exquisitely written account of travels in eight deserts on five continents that evokes the timeless allure of these remote and forbidding places One third of the earth's surface is classified as desert Restless unhappy in love and intrigued by the Desert Fathers who forged Christian monasticism in the Egyptian desert William Atkins decided to travel in eight of the world's driest hottest places the Empty Quarter of Oman the Gobi Desert and Taklamakan deserts of northwest China the Great Victoria Desert of Australia the man made desert of the Aral Sea in Kazakhstan the Black Rock and Sonoran Deserts of the American Southwest and Egypt's Eastern Desert Each of his travel narratives effortlessly weaves aspects of natural history historical background and present day reportage into a compelling tapestry that reveals the human appeal of these often inhuman landscapes

for which they have long struggled He deserves it also for himself for his own writings since it can be truly said that he is one of those men who have a message for all humanity for the suffering and the downtrodden the victims of injustice and oppression every where It is the object of this book to make available in English translation some of the masterpieces of this poet whose works have lived for a century with an ever widening influence and an ever increasing appreciation of his genius both at home and abroad It has been a strange fate that has confined knowledge of his works to some scanty references in books on literature while lesser men in other languages have received fantastic praises Such was fate In his lifetime many of the most penetrating critics in Russia saw fit to place him above Pushkin and Mickiewicz for his mastery of language and for the depth and sincerity of his ideas Yet they were in the minority for the vast multitudes were only inclined to see in him a young serf writing in his native language and they passed him by with a shrug of the shoulders He formed part of that great flowering of poetry which commenced with the period of Romanticism in Europe and he was one of those men who passed by a natural evolution to the great period of realism and of sensitiveness to the social problems of the day Now in the twentieth century we are learning as never before to judge him for himself as a flowering of the Ukrainian character and as a man who has a message not only for his own times and country but for the entire world He has stood the test of time and he deserves due recognition in these days when the entire world is sunk in war and desolation There can be no doubt today that Taras Shevchenko is one of the great Slavonic poets He is one of the great poets of the nineteenth century without regard to nationality or language and his fearless appeal to right and truth and justice speaks as eloquently in the New World as it did in the Old or in the little village where he was born the city to which he was taken or the treeless steppes to which he was exiled Amazon **Ukraïns'kyi vumir** ,2004 **Тарас Шевченко** Halyna Ivanivna Hamaliï,2004 **Ключі до царства** Marta Tarnavs'ka,2001 **Річний Огляд** ,2002 **Dialohichna pryroda literatury** Ol'ha Luchuk,2004 Zsfassung in engl Sprache u d T Dialogical nature of literature essays in literary criticism and translation studies *Slovo i chas* ,2008 Березіль ,2002 **Quill & Quire** ,1996 *Dukh i litera* ,1997
