## Shooting Elizabeth:

*Trouble in the Mancos Valley* Lowell F. Volk, 2020-06-26 When Jake Burton hears that his father is murdered he leaves Texas for his Colorado home in the Mancos Valley to seek justice However he takes a detour after helping the Hamman family fend off an Indian attack around their covered wagon Adam Hamman is killed in the attack leaving behind his widow Elizabeth and their son Greg Unwilling to leave them alone in the prairie Jake takes them with him to Colorado After reaching his ranch in the Mancos Valley Jake notices that many things have changed Several of the ranches are now owned by one man a newcomer named Gifford Clemens who also controls the bank and much of the town Jake looks for clues to discover who killed his father with his suspicions on Clemens But how to prove it Can he keep his brother in law and sister safe while the trouble in Mancos Valley brews And even if he finds the proof he needs to convict Clemens will the townspeople be brave enough to stand with him for justice

*Napa Valley Case Files* Raymond A. Guadagni, 2022-06-27 Well known for its picturesque setting Napa Valley is also home to crimes perpetrated in the name of greed love and rage Shocking incidents have rocked the small communities nestled among the vineyards like that of greedy young Billy Duvall who killed his parents as they slept and Bob Edwards who suffocated his beloved wife in a misguided attempt to keep a promise Two victims of domestic violence came to very different ends one murdered and the other offered a second chance at life after a jail sentence Join author and retired Napa Superior Court judge Raymond A Guadagni as he offers his unique perspective on these notorious court cases and the criminal justice system

*Bullyocracy* Donald Jeffries, 2020-01-03 Bestselling author Donald Jeffries turns his critical eye onto the topic of bullying to show how teachers principals and other school officials invariably side with the bullies in the most egregious cases instead of protecting the victims He also shows how many so called anti bullying activists and nearly all the professional experts excuse bullying and in fact laud sociopathic behavior in general As Jeffries demonstrates this curious phenomenon is due to the power and influence of the social hierarchy and it revolves to a great extent around the enduring popularity of sports Jeffries talked to parents who d battled a system that logically should have been working for them some of whom lost a child to bullycide the term for children who kill themselves over bullying His investigation into what has become one of the most talked about issues in America is as explosive and controversial as anything he has written

*The Sportswoman*, 1930 *Gunfighter's Legacy* C.R. Britting, 2019-04-10 Elizabeth Carver is in a whole heap of trouble Raised as a tomboy on her father s ranch in 1886 Colorado she is criticized by the women and ridiculed by the men for not acting like a lady Beth learned to shoot when she was twelve and ten years later she s mighty good at it When the bank in town is robbed she intervenes wounding two of the outlaws In doing so she unleashes a storm that will engulf her and change her life In revenge the outlaws raid her family s ranch steal their cattle and destroy her home Then a well known gunfighter rides into town He has the coldest eyes she s ever seen Why is he here Has he come to kill her Beth doesn t know and it scares her A mysterious death a secret vendetta and the constant

gossip and scorn of the townspeople increase the pressure With her father hurt and the law ineffective Beth finds herself in the fight of her life *Gunfighter s Legacy The Hard Road* is the first book in a trilogy about one young woman s quest to live life on her own terms Elizabeth has a long hard road ahead of her and she will need courage ingenuity and her six guns if she is to survive Of Wizards and Angels Charles Louis Braai,2011-10-20 In the late seventeen hundreds and early eighteen hundreds I was Beethovens prized pupil if you can believe it Unfortunately I had to quit him for reasons not concerning music It was really quite silly I was supposed to be protecting my good name You see it was rumored that the maestro Beethoven was a womanizer and while conducting orchestras he also conducted many affairs with his young female students In those times although mostly behind their backs some men and even some women were referred to as libertines Of course any man as emotional as Beethoven had to be romantically exotic but I didnt consider him a libertine it was just that young women threw themselves at him and he used the opportunities The saddest part was this remarkable man was almost deaf in later years he became almost completely and totally deaf Yet this man was such a genius just by reading the written notes he could hear the music inside his head Often he laid his hands on the piano as I played At times when I played particularly when we were alone after hed closed the piano thus containing the soundhed then lay his head down on the piano by doing so with his temple held tightly on the lid it enabled him to hear it fully the way it was meant to be heard This was done only prudently and only witnessed by certain people as he was embarrassed and at first not wanting to admit being deaf No matter how much relief Id get by forgetting the music I never would forget it on purpose That music is a part of me more so than my arms and limbs even the music is more part of me than my perceived beauty or my immortality *“Revenge: Left for Dead”* Bobby Boyd,2014-09-10 In a land where the guns pop off quick your gun is your way of life Some fight for money some shoot for life but one person has come from far away looking for revenge She can roll with the best of them and can handle herself but there s one thing she can t do forget what happened to her Shooting and Fishing ,1901 *Affray at Brownsville, Tex.* ... Colwall who allegedly sat on a spike Also here is the case of a Yorkshire tramp whose body was found in Weobley in 1894 and the murders and suicide of Charles Hankins and his two young children in Ledbury in 1896 Some killers were lucky to get away with charges of manslaughter such as Thomas Carlyle who shot a coachman near Leominster in 1871 and George Hatton who rid himself of a nagging wife near Ross in 1893 All these plus tales of fires catastrophes explosions and disasters are here Generously illustrated this chronicle is an entertaining and readable record of Herefordshire s grim past Read on if you dare
