Red Mafiya:

Red Mafiya Robert I. Friedman, 2009-11-11 In the past decade from Brighton Beach to Moscow Toronto to Hong Kong the Russian mob has become the world's fastest growing criminal superpower Trafficking in prostitutes heroin and missiles the mafiya poses an enormous threat to global stability and safety Today the mafiya controls over 80 percent of Russia's banks and has siphoned off billions of dollars in Western loans and aid almost certainly derailing the chance for a stable democracy there But that is just the beginning for the mafiya is now in every corner of the United States and has infiltrated some of the banks and brokerage firms that handle your money And American law enforcement is just waking up to this staggering problem No journalist in the world knows more about the mafiya than Friedman who has covered the Russian mob for Details Vanity Fair and New York At great peril to himself Friedman interviewed many of the top mobsters who were stunningly candid about their activities In their depravity ruthlessness and brutality Russian gangsters make the traditional Mafia look like choirboys Red Mafiya will appeal to anyone interested in the Mob [Red Mafiya](#) Robert I. Friedman, 2000 Provides a close look at the dramatic growth of Russian organized crime in the United States discussing its role in the international financial world drug trafficking weapons sales and other activities **Red Mafiya** Robert Friedman, 2002-07-01 In the past decade the Russian mob has become the world's fastest growing criminal superpower Trafficking in prostitutes heroin and missiles the Mafiya poses an enormous threat to global stability and safety With the breakup of the Soviet Union the Russian mob quickly became the dominant power in a weakened impoverished Russia And it has now spread to the U S infiltrating its banks and brokerage firms A number of top criminals have gone on record about their activities for the first time in this book The revelation the Red Mafiya is everywhere with staggering implications for law enforcement the economy foreign policy for the American people themselves Photos *House of Trump, House of Putin* Craig Unger, 2018-08-14 THE NEW YORK TIMES BESTSELLER The story Unger weaves with those earlier accounts and his original reporting is fresh illuminating and more alarming than the intelligence channel described in the Steele dossier The Washington Post House of Trump House of Putin offers the first comprehensive investigation into the decades long relationship among Donald Trump Vladimir Putin and the Russian Mafia that ultimately helped win Trump the White House It is a chilling story that begins in the 1970s when Trump made his first splash in the booming money drenched world of New York real estate and ends with Trump's inauguration as president of the United States That moment was the culmination of Vladimir Putin's long mission to undermine Western democracy a mission that he and his hand selected group of oligarchs and Mafia kingpins had ensnared Trump in starting more than twenty years ago with the massive bailout of a string of sensational Trump hotel and casino failures in Atlantic City This book confirms the most incredible American paranoias about Russian malevolence To most it will be a hair raising revelation that the Cold War did not end in 1991 that it merely evolved with Trump's apartments offering the perfect vehicle for billions of dollars to leave the collapsing Soviet Union In House of

Trump House of Putin Craig Unger methodically traces the deep rooted alliance between the highest echelons of American political operatives and the biggest players in the frightening underworld of the Russian Mafia He traces Donald Trump s sordid ascent from foundering real estate tycoon to leader of the free world He traces Russia s phoenix like rise from the ashes of the post Cold War Soviet Union as well as its ceaseless covert efforts to retaliate against the West and reclaim its status as a global superpower Without Trump Russia would have lacked a key component in its attempts to return to imperial greatness Without Russia Trump would not be president This essential book is crucial to understanding the real powers at play in the shadows of today s world The appearance of key figures in this book Paul Manafort Michael Cohen and Felix Sater to name a few ring with haunting significance in the wake of Robert Mueller s report and as others continue to close in on the truth
