1968 to their most recent release celebrating half a century of music making He chronicles the stories behind each recording touching on the highs and lows the successes and tragedies the pleasure and pain and examines the songwriting arrangements and traditions that inspired each track In doing so he also looks at the contributions made by the many great musicians who have passed through Fairport s revolving door line ups including guitar wizard Richard Thompson angel voiced Sandy Denny demon fiddler Dave Swarbrick and the guv nor of British folk rock Ashley Hutchings Fairport Convention s musical story is as dramatic as any soap opera If you have never heard any Fairport this book is the perfect introduction If you have you will want to go back and revisit the music this band has made over the last 50 years Because in the words of Richard Thompson it all comes round again *Letters, Archaeological and Historical* Edward Boucher James,1896
