Bassett (Lieutenant U. S. Navy),1885 **Sailor**

**Talk** Mary K. Bercaw Edwards,2021-03-01 This book investigates the highly engaging topic of the literary and cultural significance of sailor talk The central argument is that sailor talk offers a way of rethinking the figure of the nineteenth century sailor and sailor writer whose language articulated the rich layered and complex culture of sailors in port and at sea From this argument many other compelling threads emerge including questions relating to the seafarer s multifaceted identity maritime labor questions of performativity the ship as theater the varied and multiple registers of sailor talk and the foundational role of maritime language in the lives and works of Herman Melville Joseph Conrad and Jack London The book also includes nods to James Fenimore Cooper Rudyard Kipling and Robert Louis Stevenson Meticulous scholarly research underpins the close readings of literary texts and the scrupulously detailed biographical accounts of three major sailor writers The author s own lived experience as a seafarer adds a refreshingly materialist dimension to the subtle literary readings The book represents a valuable addition to a growing scholarly and political interest in the sea and sea literature By taking the sailor s viewpoint and listening to sailors voices the book also marks a clear intervention in this developing field

Legends and Superstitions of the Sea and of Sailors in All Lands and at All Times Fletcher S. Bassett,1885 **The Sailor's Magazine** ,1847 **Guide Me into Your Truth** Rolf A. Jacobson,Jacqueline E. Lapsley,Kristin J. Wendland,2023-11-20 In his forty plus years of work as a biblical scholar Dennis Thorald Olson has illumined the meaning of the Bible for his readers and hearers in diverse ways Among the topics he has taken up in his scholarship and teaching are the nature of leadership life in community the relation of science and theology Jewish Christian relations repentance and forgiveness and many many more In this essay collection a number of Dennis s students colleagues and friends respond to the profound values and seminal ideas at the heart of his work and take up the profound question of truth as it pertains to Scripture a question that Olson himself urged biblical scholars to consider in his inaugural address from over twenty years ago *The Sailors' Magazine and Seamen's Friend* ,1899 **From Brooklyn to Tokyo Bay** Albert R. Pincus,2004-08-01

From Brooklyn To Tokyo Bay A Sailor s Story is the story of how Albert R Pincus and the young men of his generation fought for the United States during World War II This poignant yet humorous tale of young men caught up in one of history s bloodiest wars follows Albert all the way from his childhood home in Brooklyn to the front lines of military combat and back

The Kissing Sailor Lawrence Verria,George Galdorisi,2012-05-15 On August 14 1945 Alfred Eisenstaedt took a picture of a sailor kissing a nurse in Times Square minutes after they heard of Japan s surrender to the United States Two weeks later LIFE magazine published that image It became one of the most famous WWII photographs in history and the most celebrated

photograph ever published in the world's dominant photo journal a cherished reminder of what it felt like for the war to finally be over. Everyone who saw the picture wanted to know more about the nurse and sailor but Eisenstaedt had no information and a search for the mysterious couple's identity took on a dimension of its own. In 1979 Eisenstaedt thought he had found the long lost nurse. And as far as almost everyone could determine he had. For the next thirty years Edith Shain was known as the woman in the photo of V J Day 1945 Times Square. In 1980 LIFE attempted to determine the sailor's identity. Many aging warriors stepped forward with claims and experts weighed in to support one candidate over another. Chaos ensued. For almost two decades Lawrence Verria and George Galdorisi were intrigued by the controversy surrounding the identity of the two principals in Eisenstaedt's most famous photograph and collected evidence that began to shed light on this mystery. Unraveling years of misinformation and controversy their findings propelled one claimant's case far ahead of the others and at the same time dethroned the supposed kissed nurse when another candidate's claim proved more credible. With this book the authors solve the 67 year old mystery by providing irrefutable proof to identify the couple in Eisenstaedt's photo. It is the first time the whole truth behind the celebrated picture has been revealed. The authors also bring to light the couple's and the photographer's brushes with death that nearly prevented their famous spontaneous Times Square meeting in the first place. The sailor part of Bull Halsey's famous task force survived the deadly typhoon that took the lives of hundreds of other sailors. The nurse an Austrian Jew who lost her mother and father in the Holocaust barely managed to escape to the United States. Eisenstaedt a World War I German soldier was nearly killed at Flanders.
