## Secret Revelation:

The Secret Revelation of John Karen L. King, 2009-02-28 Karen L King offers an illuminating reading of this ancient text said to be Christ's revelation to his disciple John. In her analysis the Revelation becomes a comprehensible religious vision and a window on the religious culture of the Roman Empire. A translation of the complete Secret Revelation of John is included.

**The Secret Book of Revelation** Gilles Quispel, 1979 What Is God's Secret Plan in Revelation Chapter 10? Peter Jolie, 2013-01-23 WHAT IS GODS SECRET PLAN IN REVELATION CHAPTER 10 Starting at chapter 5 of this book find out what God's secret plan will be in Revelation chapter 10. Read about the symbolic meaning of the candy cane with the cobweb and read about God's plan for the world from that time. Find out who the beast and the false prophet are and how we have to look out for them. Chapter 5 of this book onwards would also be a great subject for debate. Indeed this entire book is a great subject for debate.

**The Secret Book of Revelation : the Last Book of the Bible** Quispel, Gilles, 1979 *The Secret Revelation* Stella Religa, 2001 Challenging this generation's Christians with a hopeful and original interpretation of John's prophecy based on The Urantia Book, this guide provides a comprehensive introduction to the Urantia Revelation.

**The Secret Book of Revelation : the Last Book of the Bible** Quispel, Gilles, 1979 What Is God's Secret Plan in Revelation Chapter 10? Juancho Campaño, Peter Jolie, 2017-10-17 The original version of What is God's Secret Plan in Revelation Chapter 10 was published in 2013 when the author had no knowledge of an exploded star discovered by NASA called the Hand of God until the star was made public on the news in January 2014. Peter Jolie was amazed when he saw the hand of God holding a candy cane with a cobweb like the one featured on the front of his book cover. It seems to show that the hand is a sign from God pointing to this book. The cover design has been altered for this present version of the book to reveal the hand of God and the interior of the book has been upgraded.

**Revelations** Elaine Pagels, 2012-03-06 A startling exploration of the history of the most controversial book of the Bible by the bestselling author of *Beyond Belief*. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book however tackles a text that is firmly dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as the Jewish War in 66 CE. Militant Jews in Jerusalem fired with religious fervor waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after however a new sect known as Christians seized on John's text as a weapon against heresy and infidels of all kinds. Jews even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious

violence surges Revelations explores how often those in power throughout history have sought to force God's enemies to submit or be killed It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent violence and division in the world's religions and to appreciate the lasting appeal of this extraordinary text

[Mystery and Secrecy in the Nag Hammadi Collection and Other Ancient Literature: Ideas and Practices](#) Christian H. Bull, Liv Lied, John D. Turner, 2011-10-28 Mystery and secrecy were central concepts in the ritual rhetoric and sociological stratification of antique Mediterranean religions That the ultimate nature and workings of the divine were secret and either could not or should not be revealed except as a mystery for the initiated was widely accepted among Pagans Jews and then Christians both Gnostic and otherwise The similarities and differences in the language of mystery and secrecy across religious and cultural borders are thus crucial for understanding this important period of the history of religions The present anthology aims to present and analyze a wide selection of sources elucidating this theme reflecting the correspondingly wide scholarly interests of Professor Einar Thomassen in honor of his 60th birthday
