

Second Kings And Chronicles

Garrett Galvin

Second Kings And Chronicles:

First and Second Kings Terence E. Fretheim, 1999-01-01 Old Testament scholar Terence Fretheim identifies the theology in the dramatic accounts of the books of Kings which chronicles the reigns of more than forty kings over a period of nearly four hundred years Interspersing theological reflections throughout Fretheim traces God's words of judgement and promise for Israel and for us across the entirety of Kings Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice Each volume explains the biblical book in its original historical context and explores its significance for faithful living today These books are ideal for individual study and for Bible study classes and groups

David's Successors Garrett Galvin, 2016 David's Successors Kingship in the Old Testament argues for a new reading of kingship in the Old Testament Rather than presenting the kings as monsters with the occasional angelic ruler this study seeks a more nuanced version of kingship This book considers the original concept and context of kingship before concentrating on five kings in particular Jeroboam Ahab Hezekiah Manasseh and Josiah Much contemporary scholarship is concerned with the reconceptualization and recontextualization of kingship that hearkens from a negative perspective on kingship but this book will fully consider the positive and original vision of kingship This book is ultimately rooted in a hopeful and joyful view of humanity as found in the Psalms Sirach and the Chronicles

The Book of 2nd Chronicles Roy E Gingrich, 2024-08-25 In the Bible of most Christians the pages of Second Chronicles are unsmudged unmarked and unworn Most Christians have either never read the book through or else they have read it through only once Why do Christians shun this book Because they believe that Second Chronicles is only a rehash of First Kings and Second Kings and that it is more difficult to read than are the Kings so why should they read Second Chronicles But Christians who do not read this book are passing over a book which is filled with precious truths a book which although written about Judah has much to say to us as a nation and to us as individuals www.roygingrich.com for more books
