Classics of the Genre This novel is the second book in the Lankhmar series by grandmaster Fritz Leiber. Hailed as the early classics of sword and sorcery fantasy and even as the stories that created that genre, this series is now available in an affordable paperback format as well as the already published collectible hardcover format.

Swords Against Wizardry Fritz Leiber, 2007-12-18. Sent by a witch on a foolhardy journey, Fafhrd and the Gray Mouser return to the icy reaches of the north in search of dubious treasure. There they are seduced by the glittering attractions of an ice woman who brings them with her to her shadowy lair. Fafhrd and the Gray Mouser, brothers in arms, are overwhelmed by intimations of power and rise to become the overlords of Quarmall, a dangerous region of lies, magic, and swords.

Lean Times in Lankhmar Fritz Leiber, 1999. Back to back, they stand eyeing their foes over the gleam of sharpened steel. They are the two greatest heroes ever to walk the world of Nehwon: Fafhrd, the giant barbarian warrior from the Cold Waste, and the Gray Mouser, novice wizard, master thief, and unparalleled swordsman. From the moment of their fateful meeting, the legendary duo have adventured and misadventured across Nehwon, from the caves of the inner earth to the waves of the outer sea, but most of all through the alleys and catacombs of fog-shrouded Lankhmar, greatest of Nehwon's cities. Their lives are chronicled in four books, of which this is the second.

Encyclopedia of Fantasy and Horror Fiction Don D'Amassa, 2014-05-14. Encyclopedia of Fantasy and Horror Fiction provides comprehensive coverage of the major authors and works in these popular genres. Each entry includes a brief discussion of the author's life and work and includes a full bibliography.

Each entry on *Swords of Lankhmar* Fritz Leiber, 1981-11-01. *Swords Against Death* Fritz Leiber, 2014-04-01. Join the renowned barbarian and thief in this sword and sorcery adventure from a Grand Master of Science Fiction and Fantasy. While *The Lord of the Rings* took the world by storm, Fritz Leiber's fantastic but thoroughly flawed antiheroes, Fafhrd and Gray Mouser, adventured and stumbled deep within the caves of Inner Earth as well. They wandered and wandered to the edges of the Outer Sea across the Land of Nehwon and throughout every nook and cranny of gothic Lankhmar, Nehwon's grandest and most mystically corrupt city. Lankhmar is Leiber's fully realized, vivid incarnation of urban decay and civilization's corroding effect on the human psyche. Fafhrd and Mouse are not innocents; their world is no land of honor and righteousness. It is a world of human complexities and violent action, of discovery and mystery, of swords and sorcery.

Swords Against Death, the second volume in the Lankhmar series, finds Fafhrd and the Gray Mouser beginning their real journey. Their hearts altered by the loss of first true love, they embark on a long and winding path of drunken debauchery and womanizing until crossing paths with two cross-wizards: Sheelba of the Eyeless Face and Ningauble of the Seven Eyes. A most violent clash ensues. Fafhrd and the Gray Mouser descend into Thieves' House to discover the exacting skill of the united, backstabbing Thieves of Lankhmar and their rival guild, the Slayer's Brotherhood, the city's unionized killers. They would wander along the Bleak Shore to a howling tower to show how fear is not the product of murder but the cause. Fafhrd and the Gray Mouser must resume their plundering and drunken debauchery until, once again, darkness

had taken the balance for its favor and then a change would come These are just a few of the encounters our swindling swordsmen will willingly endure in ridding their hearts of their first true loves But did they know it would make them indentured swordsman servants to their former foes the formidable Sheelba and Ningauble
