Secrets Out of Doors ,1913 **The White Angel** John MacLachlan Gray,2017-09-09 Vancouver is in an uproar over the death by gunshot of a Scottish nanny Janet Stewart An almost deliberately ham handed police investigation has Constable Hook suspecting a cover up The powerful United Council of Scottish Societies is demanding an inquiry The killing has become a political issue with an election not far away The city is buzzing with rumours Miss Stewart s fellow nannies have accused the Chinese houseboy of murder capitalizing on a wave of anti Chinese propaganda led by the Asian Exclusion League and enthusiastically supported by the sensational press not to mention the Ku Klux Klan which has taken up residence in upperclass Shaughnessy The White Angel is a work of fiction inspired by the cold case of Janet Smith who on July 26 1924 was found dead in her employer s posh Shaughnessy Heights mansion A dubious investigation led to the even more dubious conclusion that Smith died by suicide After a public outcry the case was re examined and it was decided that Smith was in fact murdered but no one was ever convicted though suspects abounded from an infatuated Chinese houseboy to a drug smuggling ring devil worshippers from the United States or perhaps even the Prince of Wales For Vancouver the killing created a situation analogous to lifting a large flat rock to expose the creatures hiding underneath An exploration of true crime through a literary lens The White Angel draws an artful portrait of Vancouver in 1924 in all its opium hazed smog choked rain soaked glory accurate insightful and darkly droll **A Week at St-André** Alec Nesbitt,2005-07 Old Sir Julian Sparrow is suddenly killed His son Vivian inherits the baronetcy the fortune and a hostile half brother he didn t know existed Summer 1935 In the village of St Andr le Placide a ten year old boy s racing pigeons and two tormented women set events in motion that lead to murder even as a grand passion is born In the ancient Chateau Sir Vivian Sparrow and his sister Angela are greeted with graciousness brooding hostility and by Angela s chic and adorable friend who drives a dangerously fast Bugatti A Week at St Andr vividly contrasts the greed and cruelty of one man to the noble spirit of his nemesis the hopelessness of one wife to the compassionate understanding of another This elegant story set in the Atlantic coastal region of France evokes the styles and foibles of the aged Third Republic Two children separated by social class become bound to one another as witnesses to a terrifying incident The fashions cuisine and motor cars in the story impart rich detail to a thoroughly convincing creation of time and place As counterpoint to the book s somber mysteries two charming patrician personalities pursue their exuberant sensual pleasure unfettered by the mores of the time **Broken Promises** Anita Perez Ferguson,2023-01-30 2022 SFWC YA Fiction Writing Contest Winner The tightly wound plot flows effortlessly from one moment to the next readers will find themselves inspired by the future Sparrow creates for herself and those around her

A Celebration of Cheer Robert R. Gillogly, 2001

The Spiral Without Mercy David York , 2025-12-06 When a teenage boy is branded with a glowing spiral that burns straight through his soul every mirror in his house cracks inward revealing a corridor lined with chains and a hooded figure waiting on the other side The Circle the world's most elite psychic strike team arrives within minutes but this attack isn't possession It's a claim And Malachar the entity speaking through the boy knows each of them by shape not by name As spirals ignite across the city reflections lag behind their owners and shadows smile with borrowed faces the Circle races to track the intrusions But every anchor they destroy only teaches Malachar how to build the next one faster Each attempt is a rehearsal

Each breach a lesson The spirals evolve The mirrors breathe And the ground itself begins to listen Charlotte Reigns sees the corridor everywhere she looks Chains sway inches from her face A hooded presence follows her in every reflection offering her a place in its world of mirrors and unmaking Sebastian feels every echo of suffering stitched into the glyphs their grief heavy enough to drown him Jaxson is stalked by his own shadow And Kieran already marked is being rewritten from the inside out Malachar doesn't want a doorway He wants a vessel And the Circle is running out of candidates As corrupted glyphs evolve into spiraling maws across the rail yard and the river bends sideways under Malachar's command the city begins to twist into one massive symbol a spiral designed to collapse the Veil itself If completed every tether Malachar has ever touched will snap tight at once turning thousands of people into anchors or into something far worse To stop him the Circle must learn an ancient flaw built into the earliest spirals a sequence that can break the pattern from within But every time they use it Malachar learns Every attempt risks turning the break against them And at the center of the nightmare the corridor waits chains humming mirror doors awakening and the hooded figure tracing a spiral in the air as if inviting Charlotte to step inside and close the door behind her A psychic entity born of unbound grief A city becoming a mouth with too many teeth A team pushed toward sacrifice with every breath The Circle has faced monsters before but never one that learns them Perfect for fans of *The Conjuring* *Stranger Things* *Inception* and paranormal thrillers rooted in lore and psychic warfare **THE SPIRAL WITHOUT MERCY** delivers relentless tension evolving supernatural threat and the unbreakable loyalty of a team fighting a force that rewrites reality from the inside out
