Man In The Land:

A New No-Man's-Land Esther Whitfield, 2024-07-15 Guant namo sits at the center of two of the most vexing issues of US policy of the past century relations with Cuba and the Global War on Terror It is a contested extralegal space In **A New No Man s Land** Esther Whitfield explores a multilingual archive of materials produced both at the US naval base and in neighboring Cuban communities and proposes an understanding of Guant namo as a coherent borderland region where experiences of isolation are opportunities to find common ground She analyzes poetry art memoirs and documentary films produced on both sides of the border Authors and artists include prisoners guards linguists chaplains lawyers and journalists as well as Cuban artists and dissidents Their work reveals surprising similarities limited access to power and self representation mobility restricted by geography if not captivity and immersion in political languages that have ascribed them rigid roles Read together the work of these disparate communities traces networks that extend among individuals in the Guant namo region inward to Cuba and outward to the Caribbean the Americas Europe and the Middle East

No Man's Land Richard K. Morgan, 2026-03-24 A compelling standalone dark fantasy set in a gritty post WWI Britain that has been overrun by the fae from the award winning author of *Altered Carbon* One of my favorite books of the year destined to be a classic Tim Lebbon New York Times bestselling author of *Secret Lives of The Dead* The Great War was supposed to be the war to end all wars and maybe it would have been had an even greater otherworldly foe not risen to extinguish the conflict Overnight as guns blazed in France and Flanders village after village in the quiet British countryside was swallowed by the Forest And within the Forest lurk the Huldu an ancient fae race monstrous in their inhumanity who have decided that mankind s ascendancy over the world can endure no longer Enter Duncan Silver Scarred by the war fueled by a rage deeper than the trenches in which he once fought Duncan is determined to show the Huldu that the world is not theirs for the taking Armed with a deadly iron knife and a cut down trench gun filled with iron shot Duncan will stop at nothing to return the children the Huldu have stolen to the arms of their families No matter how many Huldu he may have to slaughter along the way But when he is hired by a mother to return her four year old daughter Miriam taken by the Huldu six months past and replaced with a changeling all hell breaks loose Miriam is a pawn in a much bigger game for dominance than Duncan ever expected and several long buried secrets from his past are about to be violently resurrected

No Man's Land Elizabeth D. Samet, 2014-11-04 As the post 9 11 wars wind down a literature professor at West Point explores what it means for soldiers and our country to be caught between war and peace In her critically acclaimed award winning book *Soldier s Heart* Elizabeth D Samet grappled with the experience of teaching literature at the United States Military Academy at West Point Now with **No Man s Land** Samet contends that we are entering a new moment a no man s land between war and peace Major military deployments are winding down but soldiers are wrestling with the aftermath of war and the trials of returning home while also facing the

prospect of low intensity conflicts for years to come Drawing on a range of experiences from a visit to a ward of wounded combat veterans to correspondence with former cadets from a conference on Edith Wharton and wartime experience to teaching literature and film to future officers Samet illuminates an ambiguous passage through no man s land that has left deep but difficult to read traces on our national psyche our culture our politics and most especially an entire generation of military professionals In *No Man s Land* Elizabeth D Samet offers a moving urgent examination of what it means to negotiate the tensions between war and peace between over there and over here between life on the front and life at home She takes the reader on a vivid tour of this new landscape marked as much by the scars of war as by the ordinary upheavals of homecoming to capture the essence of our current historical moment *No Man's Land* H.C.
