Our World Gods World:

Our World... God's Story! Pastor Gary Morrison,2023-12-05 We live in a world today where chaos and uncertainty rule the world God s story offers the opportunity to thrive and coexist in our own communities This book offers a chance to help people to connect with God in a relationship that is very different than the fearful world that surrounds us Our World God s Story is about a road that leads to the path of righteousness and the kingdom of heaven **Our World-God's Visible**

Language Jerry Salloum,2022-05-18 How could you ever have thought our world was the ultimate reality How could you ever have thought that it was merely a stage set for the moral drama of men and women For the many who share these thoughts from C S Lewis our world is far more than mere matter space and energy Its orderly patterns its reliable processes and arresting natural beauty give it the capacity to speak without words a mysterious language that feeds our curiosity and wonder about it We are drawn into the world of the audacious with thoughts beyond the conventional to posit an intelligent and imaginative Artist and Architect whose ineffable Creation in both its spatial and temporal dimensions defies adequate verbal expression In delving into revelation contained in various earth sciences and within the pages of the Bible Our World God s Visible Language reveals a congruency between these two avenues to Truth that the visible Creation repeatedly declares the glory and mystery of the invisible God and that science is not an enemy to faith Informative and written with imagination and personal anecdotes these pages provide readers an opportunity to better understand the invisible God and His written Word nudging us toward a loftier context in which life can be lived and enjoyed with hope and purpose *The Lost Revelation* Ira Messenger,2007-12 Providing us with the only known revelation of the Gospel according to substitution a new and exciting interpretation of biblical truth Ira Messenger is probably the most controversial theologian of our day Author of the books *The Wrong Turn* *The Fourth Dimension* and *The Indictment* Messenger is also a radio and television talk show host *The Lost Revelation* offers answers to questions that his listening audience has submitted What makes Messenger so controversial is his attack on the mantra of present day Christianity Messenger brings a different perspective to biblical interpretation one in which God takes the initiative in His relationship with humankind rather than simply observing and judging its actions Do yourself a favor and add the revelation of the Gospel of Substitution to your religious perspective You may find yourself questioning much of what you believed to be true about Christianity **God So Enters into**
