Outreach Works Strategies For Expanding Health Access In Communities:

Outreach Works Michael DeChiara, Ellen Unruh, Tom Wolff, Anne Rosen, 2001 *Evaluating Community Collaborations* Thomas E. Backer, 2003-07-30 Collaborations which bring organizations together in a community to implement or improve an innovative program or change a policy or procedure have become a central strategy for promoting community change Funders require them nonprofits see them as useful solutions to their problems of declining resources and increasing complexity including multicultural issues and communities demand them as evidence that key stakeholders are coming together to address problems of mutual concern Moreover no matter how powerful the concept the implementation of community collaborations can usually be improved The evaluation of collaborations can provide evidence of outcome and impact and can help improve the process by which the collaboration operates This book was developed by the nonprofit Human Interaction Research Institute with funding support from the Federal Center for Mental Health Services in connection with a series of evaluations of mental health youth violence prevention and arts grant making programs supported by both the Federal government and foundations all of which involved collaborations as a central mechanism It is the first comprehensive treatment of theoretical research and practice issues concerning the evaluation of collaborations and includes an extensive set of forms that can be adapted for this purpose Chapter authors are leaders in both evaluation and community collaboration work

Community Psychology in Practice James G. Kelly, Anna V. Song, 2016-04-01 *Community Psychology in Practice An Oral History Through the Stories of Five Community Psychologists* is a unique examination of how community psychology evolved through the years Five highly respected community psychologists recount their personal histories telling how they went from academia to careers disseminating principles of community psychology Newer members to the field of psychology can trace how these leaders came to pursue careers in community psychology As these respected experts tell their own stories in accessible narrative form the reader gains a clear understanding of how applied community psychology intertwines with history context social movements and individual personalities is revealed Each career story in *Community Psychology in Practice An Oral History Through the Stories of Five Community Psychologists* illustrates how societal events such as wars economic depressions the civil rights movement and discrimination shaped personal philosophies and ultimately lead to their decision to become applied community psychologists and practitioners Each contributor was asked to discuss their stories from four experiential dimensions personal contextual intellectual and ideological The various viewpoints reveal how each one's ethnicity gender sexual orientation and academic background affected how they experienced the history of community psychology Three eminent scholars from the fields of community psychology history and business psychology discuss the narratives to provide further insight The narrative studies in *Community Psychology in Practice An Oral History Through the Stories of Five Community Psychologists* include Anne Mulvey John Morgan Irma Serrano Garcia Tom Wolff Carolyn Swift *Community Psychology in Practice An Oral History*

Through the Stories of Five Community Psychologists is an encouraging stimulating look at community psychology that is valuable to community psychologists historians of psychology researchers industrial organization IO psychologists educators and students

The Power of Collaborative Solutions Tom Wolff, 2010-01-26 In this groundbreaking book Tom Wolff spells out six proven principles for creating collaborative solutions for healthy communities The Power of Collaborative Solutions addresses contemporary social problems by helping people of diverse circumstances and backgrounds work together to solve community challenges Filled with clear principles illustrative stories and practical tools this book shows how to make lasting change really happen Praise for The Power of Collaborative Solutions This is a truly transformative book and a must read Tom Wolff crafts a path to change that is at once visionary and achievable MEREDITH MINKLER professor of health and social behavior University of California Berkeley and coauthor Community Based Participatory Research for Health Jossey Bass 2008 If you want to bring about sustained positive change in your community read this book The stories will inspire you and the lessons will shine a light on your leadership path TYLER NORRIS founding president Community Initiatives Here you will find not just theory but also the hard won down to earth detail on how to make collaboration work where you live and act BILL BERKOWITZ professor emeritus of psychology University of Massachusetts Lowell Tom has a tremendous fount of knowledge and he knows just what to do with it and how to help others use it His kind and commonsensical manner means that his intellect is accessible LINDA BOWEN executive director Institute for Community Peace Washington D C
