Science of Shooting Water Polo Fundamentals Dr. Jim Solum,2010-03-10 The Science of Shooting Fundamentals book is the definitive and complete examination of the outside throwing motion the fake the drive in shot and the 2 meter shot Because two thirds of the player s body is underwater and unseen the water polo throwing motion is the most difficult motion to learn and to teach How can we learn to shoot when we cannot see the underwater motion The Science of Shooting Water Polo Fundamentals book reveals the secrets For the first time in English the secrets of the gold medal winning Hungarians and Serbians are revealed With 190 full body pictures in over 200 pages the mechanics above and below the water are clearly shown The Science of Shooting book provides step by step answers for players and coaches demanding the secret knowledge of the European throwing method

Outside Shot Keith O'Brien,2013-01-15 Outside Shot is the acclaimed true story of a small town team and an American community struggling for redemption called a reporting tour de force and utterly gripping by The New York Times The Cardinals of Scott County High School were beloved once and with good reason For years the boys and their legendary coach gave fans in central Kentucky deep in the heart of basketball country just what they wanted state titles national rankings and countless trips to Kentucky s one of a kind state tournament where winning and losing can change a young man s life But in 2009 with the economy sputtering anger rising and Scott County mired in a two year drought fans had begun to lose faith in the boys They weren t the heroes of Scott County anymore they were mini athlete gods haunted by dreams burdened by expectations and desperate to escape through the only means they knew basketball In Outside Shot Keith O Brien takes us on an epic journey from the bluegrass hills and broken homes of rural America to inner city Lexington to Kentucky s most hallowed hall Rupp Arena where high school tournament games are known to draw twenty thousand people and where for the players and their fans it feels like anything is possible The narrative follows four of the team s top seniors and their coach as they struggle to redeem themselves in the face of impossible odds once loyal fans now turned against them parents who demand athletic greatness and scouts who weigh their every move It delves deep inside the lives of the boys their families and their community divided along lines of race politics religion and sports And it chronicles not only the high stakes world of Kentucky basketball but the battle for the soul of small town America A story of inspiration and poignancy filled with moments of drama on and off the court Outside Shot shows that if it s hard to win basketball games it can be even harder to win at life itself
