Making Waves Course 4:

Making Waves Rachel Belgrave, Rosemary Harris, 1993 **Making Waves**, 1986 Voicing Subjects Laura Kunreuther, 2014-03-26 Voicing Subjects traces the relation between public speech and notions of personal interiority in Kathmandu It explores two seemingly distinct formations of voice that have emerged in the midst of the country's recent political and economic upheavals a political voice associated with civic empowerment and collective agency and an intimate voice associated with emotional proximity and authentic feeling Both are produced and circulated through the media especially through interactive technologies The author argues that these two formations of voice are mutually constitutive and aligned with modern ideologies of democracy and neoliberal economic projects This ethnography is set during an extraordinary period in Nepal's history that has seen a relatively peaceful 1990 revolution that re-established democracy a Maoist civil war and the massacre of the royal family These dramatic changes have been accompanied by the proliferation of intimate and political discourse in the expanding public sphere making the figure of voice ever more critical to an understanding of emerging subjectivity structural change and cultural mediation Arms and Innovation James Hasik, 2008-09-15 With many of the most important new military systems of the past decade produced by small firms that won competitive government contracts defense industry consultant James Hasik argues in Arms and Innovation that small firms have a number of advantages relative to their bigger competitors Such firms are marked by an entrepreneurial spirit and fewer bureaucratic obstacles and thus can both be more responsive to changes in the environment and more strategic in their planning This is demonstrated Hasik shows by such innovation in military technologies as those that protect troops from roadside bombs in Iraq and the Predator drones that fly over active war zones and that are crucial to our new war on terror For all their advantages small firms also face significant challenges in access to capital and customers To overcome such problems they can form alliances either with each other or with larger companies Hasik traces the trade offs of such alliances and provides crucial insight into their promises and pitfalls This ground breaking study is a significant contribution to understanding both entrepreneurship and alliances two crucial factors in business generally It will be of interest to readers in the defense sector as well as the wider business community Engineering, 1889 Basic Coastal Navigation Frank J. Larkin, 2023-11-30 This clear and accessible introduction to coastal navigation outlines most of the techniques of piloting that are still fundamental to safe navigation even with modern electronic aids Step by step the reader is guided from simple to more complex piloting solutions In addition to dead reckoning techniques the author covers tides and currents and explains how to use LORAN C and GPS There are numerous illustrations throughout the text and practice problems at the end of each chapter Key Advantages fully updated new edition perfect for sail and power clear layout and instructions comprehensive coverage of all aspects of coastal navigation review questions and answers and suitable for self study and Coast Guard or other similar courses **Ship Construction and Calculations with Numerous Illustrations and**
