Outer Perimeter:

Effective Physical Security Lawrence J. Fennelly, 2003-12-29 *Effective Physical Security Third Edition* is a best practices compendium that details the essential elements to physical security protection. The book contains completely updated sections that have been carefully selected from the previous Butterworth Heinemann publication *Handbook of Loss Prevention and Crime Prevention 4E*. Designed for easy reference, the Third Edition contains important coverage of environmental design, security surveys, locks, lighting, CCTV, as well as a new chapter covering the latest in physical security design and planning for Homeland Security. The new edition continues to serve as a valuable reference for experienced security practitioners as well as students in undergraduate and graduate security programs. Each chapter has been contributed to by top professionals in the security industry. Over 80 figures illustrate key security concepts discussed. Numerous appendices, checklists, and glossaries support the easy-to-reference organization. Each chapter has been contributed to by top professionals in the security industry.
