## Outing The:

*Outing* ,1889 Early Childhood Curriculum for All Learners Ann M. Selmi, Raymond J. Gallagher, Eugenia R. Mora-Flores, 2014-08-12 Early Childhood Curriculum for All Learners Integrating Play and Literacy Activities is designed to teach early childhood professionals about the latest research on play and early literacy and then to show them practical methods for adapting this research to everyday classroom practices that will encourage the development of learning skills. The authors link solid play based research to specific developmentally appropriate practices. By combining these two areas the text demonstrates that academic learning and play activities are highly compatible and that children can and do develop academic skills through play. In addition the text focuses on socio dramatic play a recently acknowledged essential aspect of child initiated play interactions. It provides specific strategies that link these interactive behaviors with the early academic skills needed for the initial primary grades. Implementation of the information presented in this book will enable children to experience a richer transition into primary education classrooms.

In this raw and engaging account of her months in rehab Nicole Johns documents her stay in a residential treatment facility for eating disorders. Her prose is lucid and vivid as she seamlessly switches verb tenses and moves through time. She unearths several important themes: body image and sexuality, sexual assault and relationships, and the struggle to piece together one's path in life. While other books about eating disorders and treatment may sugarcoat the harsh realities of living with and recovering from an eating disorder, *Purge* does not hold back. The author presents an honest, detailed account of her experience with treatment, avoiding the cliché "happily ever after" ending while still offering hope to those who struggle with eating disorders, as well as anyone who has watched a loved one fight to recover from an eating disorder. *Purge* sends a message: though the road may be rough, ultimately there is hope.
