**Y Pai**

## Orpheus Eurydice:

**Gods and Mortals** Nina Kossman,2001-03-22 For centuries poets have looked into the mirror of classical myth to show us the many ways our emotional lives are still reflected in the ancient stories of heroism hubris transformation and loss that myths so eloquently tell Now in *Gods and Mortals Modern Poems on Classical Myths* we have the first anthology to gather the great 20th century myth inspired poems from around the world Perhaps it is because the myths echo the structure of our unconscious that every new generation of poets finds them a source of inspiration and self recognition says Nina Kossman in her introduction to this marvelous collection Indeed from Valery Yeats Lawrence Rilke Akhmatova and Auden writing in the first half of the century to such contemporary poets as Lucille Clifton Derek Walcott Rita Dove Wislawa Szymborska and Mark Strand the material of Greek myth has elicited a poetry of remarkably high achievement And by organizing the poems first into broad categories such as Heroes Lovers Trespassers and secondly around particular mythological figures such as Persephone Orpheus or Narcissus readers are treated to a fascinating spectrum of poems on the same subject For example the section on Odysseus includes poems by Cavafy W S Merwin Gregory Corso Gabriel Zaid Louise Gluck Wallace Stevens and many others Thus we are allowed to see the familiar Greek hero refracted through the eyes and sharply varying stylistic approaches of a wide range of poets from around the world Here then is a collection of extraordinary poems that testifies to and amply rewards our ongoing fascination with classical myth

**Engendering Inspiration** Helen Sword,1995

Investigates the development of a gendered poetics of inspiration in the modernist period

**Mythically Mythical Myths**

Jon Jory,2017-01-01 Ah Greek and Roman myths The foundation of theatrical tradition Watch as this zany action packed comedy complete with Netflix references brings you the abridged but relatable history of Greco Roman mythology from Orpheus and Eurydice to Zeus to Sophocles to Aphrodite to every single myth you can think of and more It s sure to seem like well Greek at first But by the end you ll be an expert or at least you ll be able to pretend to be one at parties Comedy One act 35 45 minutes 15 40 actors

**Myth-Guided** Tracy Wells,2024-11-18 An enthusiastic tour guide promises a group of zany tourists that their visit to the sculpture garden will be full of fun with Greek mythology but nobody was expecting the statues to actually come to life When the mischievous god Hermes comes down from Olympus to play a little trick on the tourists exploring Athens figures from well known myths like Pandora s Box King Midas and the Golden Touch and Arachne the Weaver come alive to share each of their individual tales Flexible to cast simple to stage and easy to cut to any length anyone can bring this romp through Greek mythology to life
