

Mission Statement

Friends Child Care Center is guided by the Quaker belief that there is that of God in every person. This belief inspires and informs everyday life at the Center while it affirms the individual value of each child, teacher and parent. The approach to learning is broad but simple: children learn to get along with other people as they experience the rewards of learning what they want to know.

Friends Child Care Center provides quality child care for young children whose parents are Friends Center employees or live/work in the Philadelphia area. We strive to reflect the cultural and economic diversity of our urban community. We encourage young children in their ability to be caring, curious, responsible beings.
