Harris,2014-01-27 Mission in the Gospels considers the gospels through a twin lens first the nature of Jesus own mission as understood by the evangelists and secondly the desire of the gospel writers and their churches to gain some understanding of their own mission by interpreting Jesus attitudes and actions especially with regard to the Gentiles The principles for mission that arise out of this investigation shed a good deal of new light on the gospels and the motives for their writing and on their theological insights The Historic Mission of Jesus C. J. Cadoux,2022-07-28 First published in 1941 The Historic Mission of Jesus is one of the landmark texts on the life of Jesus his relation to the Father and his earthly task Counter to the prevailing scepticism of the reliability of the Synoptic sources chronicling Jesus life Cadoux presents a sweeping yet detailed illustration of the evidence while advancing theories for its interpretation that would go on to be significant facets of New Testament study While not going to the same lengths as Albert Schweitzer Cadoux nevertheless advances a thoroughly eschatological interpretation of Jesus self perception He thus emphasises the nation wide character of his appeal his concern for the redemption of the Gentiles through Israel s fulfilment of the universalistic aspirations of the Old Testament his eager endeavour to avert a military clash between the Jews and the Roman Empire and his early expectation of being accepted and loyally followed by his fellow countrymen as a whole The result is a prime early example of the revival of interest in the historical Jesus on theological grounds The Mission and Ministry of Jesus Donald Goergen,1986 A Connected History of the Life and Divine Mission of Jesus Christ Catharine Cappe,Newcome Cappe,1809 Life on Mission Dustin Willis,Aaron Coe,2014-08-26 If you had a ladder made of splinters would you stand on it Unfortunately the mission practices of most churches stand on weak foundations Life on Mission gives gospel centered biblical practical foundations for how missions

was meant to be an everyone together effort Life on Mission is a thorough yet simple guide for everyday missionaries electricians lawyers church planters students etc that equips them with truths and practices for living out the gospel within their own community Adaptable to any context Life on Mission functions great as both an individual and small group study Threaded with engaging stories and probing reflection questions Life on Mission will help you and your community take bold steps to living life on mission *Mission Field* Benjamin Maira,2015-03-11 Mission Focus of the Gospel with God Our Mission Field is not just Israel Middle East Greece or Italy but every part of the world The hope of the world is the gospel of salvation And by the help of the Holy Spirit we are empowered to witness the Saviour of the world and to win sinners to Jesus Christ The word of salvation is sent to all people And must pray for the salvation of the world daily God is gracious and patient The Lord is not willing that any person should die unsaved but all people come to repentance As you read this book Mission Field It is my prayer that you will rise up as a witness of Jesus Christ and minister the gospel of salvation to people near you and far May you be full of the presence and joy of the Holy Spirit to share the message of salvation to others Then the people of the world will be saved by Jesus Christ in his power and grace and they will be strong against idolatry sin and Satan and come out of darkness being ignorant of who God is and disobedient to the gospel The salvation of God is to rescue and preserve people from the wrath and judgment to come *Zion's Hope* ,1910 *Report of commission II: The church in the mission field* ,1910 *Mission Studies* ,1901
