*Pastoral Practice and the Paranormal* Boaventura (frei),1979      *Pastoral Practice and the Paranormal* Carlos José Boaventura Kloppenburg (vesc. di Novo Hamburgo, Rio Grande do Sul),1979      **Pastoral practice and the paranormal (La pastoral ante lo maravilloso, engl.)** Transl Bonaventure Kloppenburg,1979      *Implications of Paranormal Healing Phenomena for the Theory and Practice of Pastoral Counseling* Serge A. Castigliano,1981      *Supernatural Encounters* Stephen Gordon,2019-12-06 The belief in the reality of demons and the restless dead formed a central facet of the medieval worldview Whether a pestilent spreading corpse mobilised by the devil a purgatorial spirit returning to earth to ask for suffrage or a shape shifting demon intent on crushing its victims as they slept encounters with supernatural entities were often met with consternation and fear Chroniclers hagiographers sermon writers satirists poets and even medical practitioners utilised the cultural text of the supernatural encounter in many different ways showcasing the multiplicity of contemporary attitudes to death disease and the afterlife In this volume Stephen Gordon explores the ways in which conflicting ideas about the intention and agency of supernatural entities were understood and articulated in different social and literary contexts Focusing primarily on material from medieval England c 1050 1450 Gordon discusses how writers such as William of Malmesbury William of Newburgh Walter Map John Mirk and Geoffrey Chaucer utilised the belief in demons nightmares and walking corpses for pointed critical effect Ultimately this monograph provides new insights into the ways in which the broad ontological category of the revenant was conceptualised in the medieval world      **Supernatural Miracles : Traveling in the Spirit, Visions and Dreams** Dr. Venkat Potana,2026-01-04 Foreword As a doctor of physical therapy I have devoted my career to understanding the intricate design of the human body Terms such as musculoskeletal alignment neuromuscular coordination postural stability and rehabilitation science remind us how fearfully and wonderfully made we are Modern medical science explains much about movement recovery and the body s capacity to heal yet there remain dimensions of restoration that no therapy or clinical method can fully address These are the moments when we recognize that healing is not only physical but also deeply spiritual Reading Dr Venkat Potana s book has been both refreshing and inspiring The author testifies of supernatural encounters visions dreams and journeys in the Spirit that reveal the living God s power to transform lives What struck me most as a medical professional is that this testimony does not conflict with science Physical therapy can realign joints and retrain muscles but it is God who brings wholeness Medicine restores function but the Spirit of God restores destiny Rather than being in opposition science and miracles often meet in harmony showing us that the Creator who designed the body also holds authority over its healing In my own practice I have observed recoveries that surpass textbook expectations Patients regain mobility faster than protocols predict pain vanishes in ways unaccounted for by treatment and individuals rise above their prognosis with renewed strength Clinical terminology may label these as atypical or exceptional outcomes but people of faith recognize them as miracles This book confirms that the supernatural

dimension of healing is real and continues today complementing the best that science offers Dr Potana has written with conviction depth and clarity His pages are not merely stories they are living testimonies that invite readers into a greater reality For those searching for hope this book provides assurance For those in ministry it becomes a resource of encouragement And for those of us in the medical field it demonstrates that acknowledging the miraculous does not diminish our profession but enriches it I wholeheartedly recommend this work It is more than a book it is a witness of how God still moves among His people The experiences described here will inspire faith challenge doubt and open hearts to the truth that Jesus Christ is the same yesterday today and forever Dr Paramjit Singh Herbertpur Christian Hospital September 2025
