## Portable World Bible:

**The Portable World Bible** Various, 1977-01-27 The Portable World Bible presents the fundamental tenets of the world's basic source religions. Contemporary readers are offered in concise authoritative translations the religious thought of the ages selected, interpreted, and arranged in view of modern man's quest for ultimate truths and values. Robert O. Ballou, the volume's editor, has omitted mere stories, history, and ceremonial detail; what remains in every case is the essence of religion, set down with a clarity and simplicity never before achieved. The Portable World Bible is an unparalleled work of poetic and ethical inspiration, a book that makes a deep appeal to the mind and spirit.

World Scriptures Kenneth Kramer, 1986 World Scripture is a guidebook to the primary source materials of the classical living religions of the world. It is a guidebook which innovatively blends critical and interpretative tools with sacred symbols and stories of Ultimacy.

A Tapestry of Faiths Winfried Corduan, 2009-06-01 Christians find themselves in an increasingly diverse world. The new place of worship in our neighborhood might just as likely be a Hindu temple or a Muslim mosque as a church or a synagogue. How should we view other world religions, and more important, how should we engage our religiously oriented neighbors in conversation? Do all religions teach the same thing? Or are there significant differences? Do we try to minimize differences and just get along? Or do we hold out the Christian faith as the one true hope for all the world? Drawing on his wide experience and knowledge of other religions and how they are actually lived, Winfried Corduan helps us sort through the complex tapestry of faiths around the globe. He contends that there are common threads of understanding that can serve to link us in meaningful discussion. From these common threads we can go on to explore genuine differences. Through the course of the book, Corduan leads readers to explore the important issues of revelation and truth, morality and guilt, grace and redemption, eschatology and hope. Ultimately, Jesus Christ, he argues, stands unique among religious figures and Christianity unique among the world's religions. This is a book that strengthens Christians in their convictions while encouraging them to engage their neighbors with humility, love, and discernment.

Penguin Classics Anonymous, 2012-01-31 A Complete Annotated Listing. More than 1,500 titles in print. Authoritative introductions and notes by leading academics and contemporary authors. Up-to-date translations from award-winning translators. Readers' guides and other resources available online. Penguin Classics on-air online radio programs.

*World Bible* Robert Oleson Ballou, 1976

**Mysteries Revealed**, Migs, 2023-02-09 This book is going to inspire generations to come. It will wake us all up from all the deceit and lies colleges, seminaries, and churches have been teaching and give you sound doctrine in the times of the worst in history since the days of Noah and Lot. Migs drains the swamp by showing us all how to rely on God's Words, not the messengers and pastors who have taught doctrines of devils for centuries. 80 percent truth with 20 percent imagination, lies, and allegories just won't cut it in these times of tribulation; the church

is going through now It's time to wake up ride out the storm and rise up mighty warriors Those who have ears let them hear and those have eyes let them see In Daniel it is said there is a great awakening and a gathering and today's times in this book will set us straight This book is an in depth look at the Bible like you have never seen before It will show you how to read a Bible in context and illuminate the conjecture and controversy because the Bible never contradicts itself in the correct version There is coming a day in Amos 8 11 that says you will seek the Word but not find it With AI and quantum computers and all these Bible versions you are just about at that point Mysteries Revealed is something every Christian should embrace and with all readiness of mind search the Scriptures daily Read Acts 17 11 while you still have a chance Last call for alcohol BECAUSE the bar is closing LOL no last call for you to edify saints and see souls saved with TRUTH and be ye not ignorant my brethren Engineering and the Liberal Arts Samuel C. Florman, 2015-12-15 From the author who inspired inaugural poet Richard Blanco Engineering and the Liberal Arts remains a fresh and provocative book using the familiar world of technology to guide a new generation of engineers through the stimulating world of the liberal arts Beginning with a penetrating and enlightening discussion of how exposure to the arts can enrich and reward nearly every aspect of an engineer's life Samuel Florman himself a decorated engineer with over fifty years experience in the field boldly explores the natural relationship between liberal arts and technology Sweeping away traditional barriers separating the two fields Florman establishes a rich and vital communication of ideas between scientist and artist By linking the history of technology to world history the truth of science to philosophy utility of form to painting and sculpture and the world of view of the engineer to literature Florman builds a series of bridges connecting science to art A complete survey of the arts in and of itself this impressive volume constitutes an introduction to the infinite variety of pleasures afforded through study of the liberal arts paving the way to a richer fuller life for the engineer
