Pops Bridge:

Pop's Bridge Eve Bunting,2006-05-01 The Golden Gate Bridge The impossible bridge some call it They say it can't be built But Robert's father is building it He's a skywalker a brave high climbing ironworker Robert is convinced his pop has the most important job on the crew until a frightening event makes him see that it takes an entire team to accomplish the impossible When it was completed in 1937 San Francisco's Golden Gate Bridge was hailed as an international marvel Eve Bunting's riveting story salutes the ingenuity and courage of every person who helped raise this majestic American icon Includes an author's note about the construction of the Golden Gate Bridge Pop's Bridge Eve Bunting,2006 Robert and his friend Charlie are proud of their fathers who are working on the construction of San Francisco's Golden Gate Bridge

Angels Around Her Jennifer Cusumano,2011-08 If we only had the wisdom of experience in our youth what decisions would we have made differently We explore this very personal question in *Angels Around Her* which takes a heartfelt look at some of life's most important decisions often made at a tender age Love Career Children Finding the courage to make a change when you've made the wrong choice This Christmas however one woman has a supernatural chance to right those wrongs with a little heavenly help Set largely around the holiday season in Manhattan *Angels Around Her* takes us on a journey of self discovery that spans 25 years The vehicle that acts as our looking glass through time is a manuscript which our heroine Bridge is compelled to write after finding three trinkets from love's past Thus the book within a book format allows us to follow Bridge's compelling back story while other serendipitous events unfold in present day When Bridge's book gets published she unwittingly sets in motion a series of events that climax in a bittersweet rediscovery of love and of self

The Education Invasion Joy Pullmann,2017-03-14 Most Americans had no idea what Common Core was in 2013 according to polls But it had been creeping into schools nationwide over the previous three years and children were feeling its effects They cried over math homework so mystifying their parents could not help them even in elementary school They read motley assortments of informational text instead of classic literature They dreaded the high stakes tests in unfamiliar formats that were increasingly controlling their classrooms How did this latest and most sweeping reform of American education come in mostly under the radar Joy Pullmann started tugging on a thread of reports from worried parents and frustrated teachers and it led to a big tangle of history and politics intrigue and arrogance She unwound it to discover how a cabal of private foundation honchos and unelected public officials cooked up a set of rules for what American children must learn in core K 12 classes and how the Obama administration pressured states to adopt them Thus a federalized education scheme took root despite legal prohibitions against federal involvement in curriculum Common Core and its testing regime were touted as an absolute game changer in public education yet the evidence so far suggests that kids are actually learning less under it Why then was such a costly and disruptive agenda imposed on the nation's schools Who benefits And how can citizens regain local self governance in education so their children's minds will be fed a more nourishing intellectual diet and be protected from

the experiments of emboldened bureaucrats The Education Invasion offers answers and remedies

The Extractor Series Books 1-3 Mike Ryan, Get the first 3 books in one collection by USA Today Bestselling Author Mike Ryan The Extractor When governments won't help when the police are out of leads and when people are out of answers there's only one man left they can turn to The Extractor Luke Bridge is a former CIA agent and his clients current last hope Whether the job is a rescue mission finding a kidnapped victim or returning stolen property he's got the skills to get the job done He restores hope to a hopeless situation Past Dead Bridge and Nicole are hired to find five million dollars worth of missing diamonds Their search for the missing diamonds take them to Los Angeles Brazil and finally Puerto Rico and puts them in direct conflict with a major drug operation the leader of which is suspected of stealing the jewels But all is not what it seems and after coming up empty in their search Bridge and Nicole have to pivot with their suspects Maybe the thief has been much closer to them all along Pressure Point Bridge and Nicole take up the case of a missing woman After getting hired by the woman's sister Bridge and Nicole quickly determine this is not just another missing persons case There are a number of women who have disappeared in similar circumstances As they investigate they follow the trail to Europe where they mix it up with an international sex trafficking ring and find more than they bargained for Will they find the woman they're looking for Or will they be too late

The Constantine Conspiracy Gary Parker, 2010-08-01 Nationally known and sought after playboy Rick Carson stumbles onto a murder and finds himself the prime suspect Innocent people don't run but Rick finds that his life depends on it Closing in behind him is a park ranger who is more than she seems And what starts as a simple crime begins to look like part of something much bigger and much more sinister Even Rick's powerful family is implicated In a place where no one is who they say they are and danger lurks around every corner who can Rick trust Will he risk his fortune his love and possibly his life to expose the truth Exciting plot twists and nail biting chases make this suspense novel a must read Readers will be swept up in this thrilling tale of international intrigue conspiracy and the power of truth
