Managing The Mavericks Nurturing Key Talent:

Managing the Mavericks Kaye Thorne,2003 This book focuses on one of the key issues for organizations and managers today how to develop innovation *Today's HR for a Sustainable Tomorrow* R.K. Mishra,Shulgana Sarkar,Punam Singh,2012-03-20 We are now going through a sustainability revolution that will rival the agricultural and industrial revolutions in the way it will transform society Innovation and creativity will be needed to develop radical new products that are less damaging to the environment and generate new business and job The book is of interest to all business and management students academicians researchers practitioners consultants corporate managers governments non governmental organizations and international organizations with special interest in issues relating to HRM for sustainability The book is centered on the theme of HRM and sustainability The authors have pulled different strings of HRM enabling sustainability from the designing and assembling the HR functions for sustainability to creating sustainable culture to best practices in HRM for sustainability The authors have shared various perspectives in terms of the role of HRM for sustainability from culture building to employer branding to employee engagement The authors have also reflected upon the role of HRM in managing future workforce and creating conducive and sustainable employee relations **Managing Employee Well-being** Donald Currie,2001 *Trade Unions and Management* Robert M. Carton,2001 This work demonstrates the changing nature of industrial relations between unions and management today changes that are necessary if the challenges of business in the 21st century are to be met From a brief history of labour negotiation in the UK the project traces the development of conflict bargaining the changing nature of the trade union role the inspiration behind the partnership approach and the demands and opportunities that this approach can create *The Challenge of Outsourcing Human Resources* Sally Vanson,2001 This work is clearly divided into easy to read chapters focusing on the practicalities of HR outsourcing It takes the reader on a comprehensive journey from the initial strategic decision looking at the criteria for informed decisions and the elements of HR which could be outsourced to the supplier briefing process service provision and service level agreements legislation bidding and contracting internal and external communication of change the selling process timelines and operating style and the contract review activities An interesting aspect is the consideration given to sharing and aligning values the cultural aspects and the employer branding perspective Customer centricity is a key theme which makes the book particularly pertinent to the new era of dot com and e commerce organizations **Strategic Responses for a Sustainable Future** Torben Juul Andersen,2021-09-06 Strategic Responses for a Sustainable Future considers how modern organizations can respond to and deal with increasingly uncertain environmental conditions with the aim of creating effective solutions that can sustain business growth and performance Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 **The Essential Guide to Managing Talent** Kaye Thorne,Andy Pellant,2007 Losing top talent can cost businesses big money The ability to identify and nurture talent is a trait that is shared by the market

leading brands such as Innocent and Virgin featured as case studies in this book A common misconception is that attracting and retaining talented staff is all about offering an attractive salary But although pay is one of the leading motivators for choosing a job learning and development opportunities and employer perceptions play an increasingly important role As well as adding to the debate on the war on talent Thorne and Pellant present the latest best practice thinking about becoming an employer of choice Written in an accessible easy to follow style this essential guide is a comprehensive introduction to talent management It enables readers to quickly make sense of the term employer branding and demonstrates how to apply it in order to become an attractive employer

Compendium of Knowledge Solutions , *The Disposable Visionary* Curtis Powell,Bill Jerome,2015-12-14 Is it possible for visionary leaders to adhere to their idealism and integrity without becoming casualties of corporate conservatism and executive level politics This book says yes arguing for the need for visionary change agents in organizations and resolving the paradox of visionary change in a bureaucratic environment Why do many companies state they want change but then often fire employees who truly rock the boat in their efforts to shift the paradigm to make improvements How should disposable visionaries leaders who are passionate about new ideas but who underestimate or intentionally ignore the political environment that supports maintaining the status quo and consequently are in danger of losing their jobs keep their passion regardless of the opposition and also keep their jobs Written with wit and filled with poignant insights and well documented examples this book provides practical advice and encouragement to those who are driven to promote new ideas and reach new levels of achievement Not just for executive level corporate leaders frustrated by their company s resistance to change the information and inspiration presented will be enlightening to anyone who has ever been puzzled or annoyed by obstructive internal politics at work Readers will come away with effective ways to deal with politics champion breakthrough innovation be recognized as their organization s most valuable asset and unlock their potential to change the competitive playing field The book will also be invaluable for business students who need to be aware of potential obstacles they will likely face as they embark on their careers
