Managing Unique Assignments A Team Approach To Projects Programmes:

Managing Unique Assignments Gert Wijnen, Rudy Kor, 2000 This book presents the core ideas of both project and programme management These ideas have all been tried and tested by Twynstra Management Consultants and their experiences have been invaluable in our attempt to clearly describe what it means to work on unique assignments in practice and more especially what it means to manage them *Sustainability Integration for Effective Project Management* Silvius, Gilbert, Tharp, Jennifer, 2013-06-30 Although it remains one of the most significant challenges in recent years companies are beginning to integrate the ideas of sustainability into organized projects such as marketing corporate communications and annual reports In this case sustainability remains an important influence on the initiation of project management *Sustainability Integration for Effective Project Management* provides a comprehensive understanding of the most important issues concepts trends methodologies and good practices in sustainability to project management The research and concepts discussed in this publication are developed by professionals and academics aiming to provide the latest knowledge related to sustainability principles for prospective professionals academics and researchers in this area of expertise **The Relationship Manager** Tony Davis, Richard Pharro, 2003 This book deals with a new role the Relationship Manager and has been written to fill the gap between technical and business aspects of successful project delivery **Banking, Finance, and Accounting: Concepts, Methodologies, Tools, and Applications** Management Association, Information Resources, 2014-07-31 With the global economy still in recovery it is more important than ever for individuals and organizations to be aware of their money and its potential for both depreciation and growth *Banking Finance and Accounting Concepts Methodologies Tools and Applications* investigates recent advances and undertakings in the financial industry to better equip all members of the world economy with the tools and insights needed to weather any shift in the economic climate With chapters on topics ranging from investment portfolios to credit unions this multi volume reference source will serve as a crucial resource for managers investors brokers and all others within the banking industry **59 Checklists for Project and Programme Managers** Rudy Kor, Gert Wijnen, 2017-03-02 This book is aimed at people who are involved in or are about to become involved in a project or programme If you feel your project and programme management competences can be improved *59 Checklists for Project and Programme Managers* will undoubtedly offer you useful suggestions The practical approach taken by Rudy Kor and Gert Wijnen makes this an easy book to dip into when you want to know what to do in a particular situation The book covers a range of topics including choosing the right approach organising for projects and programmes team management starting and executing projects and programme management For each topic the book provides a series of checklists to lead you through the most important aspects of each subject With such hands on advice from acknowledged experts so easily available this is a book which no project or programme manager should be without The checklist approach provides readers with tools and techniques for this particular way of working and will enable new or

experienced team members to plan initiate run and deliver whatever the output their organisations programme or projects require

Achieving Project Management Success in the Federal Government Jonathan Weinstein PMP,2010-02 Gain Valuable Insight into the Government s Project Management Best Practices Although project management is not new to the federal government the discipline has taken on renewed importance in the face of the ever increasing size complexity and number of mission critical projects being undertaken by every branch and agency This book addresses the key facets of project management from organization and structure to people and process A variety of government entities share their best practices in areas including leadership technology teams communication methodology and performance management Based on research and interviews with a wide range of project managers Achieving Project Management Success in the Federal Government presents a realistic cross section of the project management discipline in the largest single enterprise in the world the U S federal government

50 Checklists for Project and Programme Managers Rudy Kor,Gert Wijnen,2000 Provides practical hands on advice to follow a natural progression through each stage of a project or programme The book ensures each aspect of the work is covered systematically and effectively As well as the 50 checklists there are more general tips

Long Range Planning Strategic Planning Society,2000 *Subject Guide to Books in Print* ,1991 *Daily Graphic* Ransford Tetteh,2010-09-15

Managing Projects Karen Brown,Nancy Lea Hyer,2010-01-01 Students today are likely to be assigned to project teams or to be project managers almost immediately in their first job Managing Projects A Team Based Approach was written for a wide range of stakeholders including project managers project team members support personnel functional mangers who provide resources for projects project customers and customer representatives project sponsors project subcontractors and anyone who plays a role in the project delivery process The need for project management is on the rise as product life cycles compress demand for IT systems increases and business takes on an increasingly global character This book adds to the project management knowledge base in a way that fills an unmet need it shows how teams can apply many of the standard project management tools as well as several tools that are relatively new to the field Managing Projects A Team Based Approach offers the academic rigor found in most textbooks along with the practical attributes often found more often in trade professional publications
