Morgan,Richard L. Morgan,2006-04-01 Sooner or later each one of us faces death our own or others we care about And yet few take time beforehand to think about these endings and in the process may lose the wisdom of the ages that comes after facing death Perhaps this explains why when Plato was asked to summarize his philosophy he reportedly said Practice dying He understood that dying is what each one of us does throughout our lives whether it is leaving home the first time to go to school or departing from this planet when our lives end If we learn how to die to let go and get our egos out of the way we will have gained wisdom about how best to live This brief yet comprehensive book deals not only with the philosophical and psychological meaning of death but its practical implications for our lives Written by two brothers who have taught philosophy ethics psychology and religion at community colleges and four year private colleges this book can be used in many learning situations whether part of courses in philosophy ethics psychology or counseling or for short term workshops or continuing education courses for students in human services health care social work or any of the helping professions New Man for the New Millennium Osho,2000 Osho Says It Is Imperative That We Become New Human Beings As We Enter The New Millennium He Elucidates The Seven Essential Qualities Of The New Man And Examines Issues That Have Bedevilled Generations Love Relationships Marriage Family Money Power Work And Morality Showing Us How To Let Go Of Our Past He Invites Us To Wake Up To Our Enlightenment Philosophy of Man Manuel B. the core of all religions and spiritual paths belonging to no one and belonging to all More than 2 500 years old this remarkable text continues to be as relevant today as it was to its contemporaries Osho demystifies the important terms used by the Chinese mystic Lu Tsu or Lao Tzu and shares his meditation exercises He also outlines the qualities of animus and anima our male and female energies as delineated by Lu Tsu explaining the importance of their relationships inside each of us He also provides many valuable techniques and gives specific instructions on the Taoist Golden Light Meditation which involves harmonizing the male and female elements and transmuting sexual energy A timeless collection of Osho s talks on The Secret of the Golden Flower this book will show you how to not remain a seed but to become what the Chinese called a golden flower Called the one thousand petaled lotus in India the golden flower is a symbol that represents perfection totality It represents the actualization of potential the beauty the grandeur and the splendor of being Lucretius as Theorist of Political Life J.
