Our Christian Hope David S. Dockery, 2008-01-01 With the dawning of a new millennium many are probing ancient prophecies for light on world events David Dockery commendably focuses on inspired Scripture as Southern Baptists ask what doctrines legitimately offer Christian hope Carl F H Henry author of *God Revelation and Authority* In an age of failed utopias and false messiahs on every hand believers need more than ever before to be reminded of the great promise of Christ's return in glory David Dockery does a superb job of focusing on the main event at the conclusion of world history the Second Coming of Jesus Christ This study helps us avoid idle speculation by lifting our hearts to our risen and returning savior Timothy George Dean and Professor of Divinity Beeson Divinity School The excellences of Our Christian Hope are many David Dockery has given enough content to deal with pressing contemporary questions which people ask about the end times Christians should read and study this book thoroughly Thomas D Lea former Dean Southwestern Baptist Theological Seminary David Dockery has demonstrated once again that he is one of evangelicalism's gifted theologians He has articulated the doctrine of eschatology with clarity and conviction This book is simply an outstanding study of a critical doctrine Thom S Rainer President and CEO of LifeWay Christian Resources

The Christian Hope Brian Hebblethwaite, 1984 What does it mean to hope for heaven Brian Hebblethwaite traces the background to the Christian hope in the faith of Israel examines its primary basis in the acts of God in the story of Jesus Christ and follows the history of Christian attitudes to the future of humanity and of creation throughout the Christian centuries The Christian Hope tells the complex story of the different strands emphases and problems that have developed between biblical times and our own in the quest to understand the four last things death judgement heaven and hell Hebblethwaite concentrates our attention on the modern period since 1900 an era when modern Christian theology has witnessed a remarkable recovery of interest in hope and the future as dominant motifs in its reflections The discoveries of modern science have affected Christian hope and Christian understanding of creation and its ultimate destiny At different stages in the history of the church very different stresses have been laid on the present or on the future on hope for the individual or on hope for society on this worldly hope or on other worldly hope Through a study of the

basis of Christian hope and of the history of its interpretation Hebblethwaite aims to present a balanced view of these different elements in the Christian tradition and a credible eschatology for today *Some Reasons of Our Christian Hope: Being the Hulsean Lectures for 1875* Edward Thomas Vaughan (Rector of Harpenden.),1876 *The Christian Hope* William Adams Brown,1915 **A Hope-Filled Life** James R. Wilkes,2021-03-02 Hope is part of the spiritual vocabulary of the believer in Jesus Christ The word is found abundantly in the Scriptures We speak of it in our testimonies and fellowship We sing about it in our corporate worship Yet it would seem at times that our concept of hope is understood in merely some vague way Hope seems like an abstraction something we consider only theoretically not something that really matters or makes a difference However biblical hope is a gospel grace that provides joy and endurance for our lives right now A Hope Filled Life seeks to define biblical hope and provide a practical theology for understanding and applying it to our lives Hope is indeed not an optional add on but a vital necessity Embracing the many truths about hope in the Scriptures strengthens our hearts As we run the race set before us we must grow in our understanding that Jesus Christ is truly our great Savior and our sure and steadfast hope **The Foundation of Christian Hope.
