James: Literary Criticism Vol. 2 (LOA #23) Henry James, 1984-12-31 Henry James, renowned as one of the world's great novelists, was also one of the most illuminating, audacious, and masterly critics of modern times. This Library of America volume is one of two volumes of the most extensive collection of his critical writings ever assembled, with many pieces never before available in book form. It includes reviews of a great number of European writers, especially French writers, along with more general essays and the Prefaces Henry James wrote for the New York Edition of his works published between 1907 and 1909. More than one hundred reviews and essays are gathered by author so that readers can trace the development of James's complex, meditative, and highly volatile attitudes toward a wide spectrum of literature. James reviews the formidable Honoré de Balzac with his huge, all-compassing, all-desiring, all-devouring love of reality; Gustave Flaubert, a pearl diver breathless in the thick element while he groped for the priceless word; and Ivan Turgenev, the Russian visitor in Paris with whom James felt great personal affinity, even though Turgenev lacked the immense charm of absorbed inventiveness. James delivers his critical judgments with great elegance and point, especially when he discusses the performance of other critics like Hippolyte Taine and Augustin Sainte-Beuve, and of course he can be wonderfully acerbic. An early moralistic essay on Baudelaire finds Poe vastly the greater charlatan of the two, and the greater genius. James brings his critical zest, exhilaration, and independence of judgment to bear on writers as diverse as Alphonse Daudet, George Sand, Victor Hugo, Guy de Maupassant, Théophile Gautier, Johann Wolfgang von Goethe, and Gabriele D'Annunzio. Readers will find in the complete collection of the Prefaces one of literature's most revealing artistic autobiographies, a wholly absorbing account of how writing gets written, and a vision of the possibilities for fiction, which critics and novelists of later times will find immensely instructive and liberating. Our Henry James in Fiction, Film, and Popular Culture John Carlos Rowe, 2022-07-12 Our Henry James in Fiction, Film, and Popular Culture addresses the interesting revival of Henry James's works in Anglo-American film adaptations and contemporary fiction from the 1960s to the present. James's fiction is generally considered difficult and part of high culture, more appropriate for classroom study than popular appreciation. However, this volume focuses on the adaptation of his novels into films, challenging us to understand James's popular reputation today on both sides of the Atlantic. The book offers two explanations for his persistent influence: James's literary ambiguity and his reliance on popular culture.

Part I: His Times considers James's reliance on sentimental literature and theatrical melodrama in *Daisy Miller*, *Guy Domville*, *The Awkward Age*, and several of his lesser-known short stories. Part II: Our Times focuses on how James's considerations of changing gender roles and sexual identities have influenced Hollywood representations of emancipated women in Hitchcock's *Rear Window* and Peter Bogdanovich's *The Last Picture Show*, among others. Recent fiction by authors including James Baldwin and Leslie Marmon Silko also treat Jamesian notions of gender and sexuality while considering his part in contemporary debates about globalization and cosmopolitanism. Both a study of James's works and a broad range of contemporary film and fiction, *Our Henry James in Fiction, Film, and Popular Culture* demonstrates the continuing relevance of Henry James to our multimedia, interdisciplinary, globalized culture.
