The Lady OF THE VALLEY

Dedication and Blessings

Our new Chapel and Christopher Center continues.

Spring is a time to celebrate new things! Our dedication, held in late April, was a time to reflect on recent additions to our community and exciting changes to our care and services.

Many special guests and speakers, including The Most Reverend Barry C. Knestout, D.D., Bishop of the Catholic Diocese of Richmond, were present for the ceremony and reception.

Bishop Knestout blessed the new Christopher Center (now offering memory care), Chapel, and Nursing and Rehab Center. Doors who have contributed to the funds for our new Chapel's stained glass windows were thanked and all in attendance were encouraged to take a stained glass star ornament as a favor.

Following the formal program, residents, family members, and guests explored the new spaces while enjoying hot beverages and desserts.

The Most Reverend Barry C. Knestout, D.D. offers greetings to residents in the rehabilitation center.

Zhongshu Dong,2015-12-15 The Spring and Autumn Chunqiu is a chronicle kept by the dukes of the state of Lu from 722 to 481 B C E Luxuriant Gems of the Spring and Autumn Chunqiu fanlu follows the interpretations of the Gongyang Commentary whose transmitters sought to explicate the special language of the Spring and Autumn The work is often ascribed to the Han scholar and court official Dong Zhongshu but as this study reveals the text is in fact a compendium of writings by a variety of authors spanning several generations It depicts a utopian vision of a flourishing humanity that they believed to be Confucius s legacy to the world The Gongyang masters thought that Confucius had written the Spring and Autumn employing subtle phrasing to indicate approval or disapproval of important events and personages Luxuriant Gems therefore augments Confucian ethical and philosophical teachings with chapters on cosmology statecraft and other topics drawn from contemporary non Confucian traditions A major resource this book features the first complete English language translation of Luxuriant Gems divided into eight thematic sections with introductions that address dating authorship authenticity and the relationship between the Spring and Autumn and the Gongyang approach Critically illuminating early Chinese philosophy religion literature and politics this book conveys the brilliance of intellectual life in the Han dynasty during the formative decades of the Chinese imperial state
