Our Ground Time Here Will Be Brief:

Our Ground Time Here Will be Brief Maxine Kumin, 1982 In a gathering of new and selected poems the Pulitzer Prize winner of 1974 triumphantly demonstrates the craft and versatility that have made her a major figure in American letters

Betwixt & Between Louise Carus Mahdi, Steven Foster, Meredith Little, 1987 *Betwixt and Between* offers new insights into the basic elements of initiations and rites of passage The absence of these traditional supports creates problems in the lives of those who are caught in the void and lack definite expectations at various times of their lives The chapters on masculine and feminine initiation provide new and creative concepts and practical possibilities for each of us Initiation has been a missing component in the modern world and needs to be re introduced with new understanding and consciousness

Reading Old English Wisdom Robert DiNapoli, 2021-02-01 This book translates and comments on a selection of Old English poems that modern scholars identify as wisdom texts These comprise collections of maxims philosophical and cosmological speculation and historical meditation Composed by monastic authors from the ninth to the eleventh centuries they mingle orthodox Christian beliefs with pre Christian sensibilities embedded in the linguistic texture of Anglo Saxon verse itself Their preoccupation with how the human psyche responds to the challenges of incarnate life in space and time lends them a wide ranging interest for students of medieval religion social history and psychology Many are superb poems in their own right whose quality the translations here serve to communicate to modern readers The book s commentaries engage sympathetically with patterns of thought and imagination both remote from us in time and yet strangely familiar

American Space, Jewish Time Stephen J. Whitfield, 2017-07-05 This is a delightful book a small gem replete with insightful provocative pieces about both American culture and Jewish life I think that Stephen Whitfield is one of the most original essayists on these two topics Few other scholars combine the density of his knowledge with the verve of his prose Hasia R Diner New York University

Collage in Twenty-First-Century Literature in English Wojciech Drag, 2019-11-12 *Collage in Twenty First Century Literature in English* Art of Crisis considers the phenomenon of the continued relevance of collage a form established over a hundred years ago to contemporary literature It argues that collage is a perfect artistic vehicle to represent the crisis ridden reality of the twenty first century Being a mixture of fragmentary incompatible voices collage embodies the chaos of the media dominated world Examining the artistic sociopolitical and personal crises addressed in contemporary collage literature the book argues that the 21st Century has brought a revival of collage like novels and essays

Necessary Losses Judith Viorst, 2010-05-11 From grief and mourning to aging and relationships poet and Redbook contributor Judith Viorst presents a thoughtful and researched study in this examination of love loss and letting go Drawing on psychoanalysis literature and personal experience *Necessary Losses* is a philosophy for understanding and accepting life s inevitabilities In *Necessary Losses* Judith Viorst turns her considerable talents to a serious and far reaching subject how we grow and change through the losses that are a certain and necessary part of life She argues

persuasively that through the loss of our mothers protection the loss of the impossible expectations we bring to relationships the loss of our younger selves and the loss of our loved ones through separation and death we gain deeper perspective true maturity and fuller wisdom about life She has written a book that is both life affirming and life changing *The Last Passage* Donald Heinz,1998-12-17 Is death merely the cessation of life Are our final years simply a wearing out of the body Are hospitals and funeral homes the bureaucratic machinery of death capable of handling the profound spiritual dimension of dying In *The Last Passage* Donald Heinz offers wise answers to these questions in a book that urges us to recover a death of our own and to view our final years as a fulfillment a last career Despite the recent spate of books on death and dying death remains a fact our culture tries desperately to ignore In other times and in other cultures preparing for death was seen as an important spiritual task perhaps the most important task of our lives Heinz argues that we can reconceive of death reinvest it with meaning and save it from becoming a meaningless biological event Seeking appropriate models for such a reconstruction Heinz offers a fascinating overview of the many ways death has been envisioned and ritualized throughout human history from the Tibetan Book of the Dead to 15th century Christian ars moriendi manuals on the art of dying and from Jean Paul Sartre to Elizabeth Kubler Ross He also surveys the more recent contributions of psychologists anthropologists cultural critics and death awareness advocates whose efforts have largely failed to integrate death into a larger human story and the larger human community Finally Heinz shows us how we might create rituals through the use of music visual arts dance drama and language that would enable us to approach death with reverence as the spiritual consummation of our lives **The Nation** ,1878 [Library of Congress Information Bulletin](#) ,1981 **Fundamentals of Literature for Christian Schools** ,1988 [The Columbia Granger's Index to Poetry in Anthologies](#) Tessa Kale,2007 For over a hundred years *The Columbia Granger's Index to Poetry in Anthologies* has been the preeminent index for answers to questions about the world of poetry identifying the author of a poem or the anthologies in which it can be found when only a title first line or last line is known This latest edition a must have for libraries brings its index up to date as of May 31 2006 This latest version features 85 000 classic and contemporary poems by 12 000 poets Also included are works in translation and for the first time poetry in Spanish Vietnamese and French The subject organization of the poems is especially useful Hundreds of new subjects have been added indexing poems on highly relevant topics such as Osama bin Laden the war in Iraq Dick Cheney the Internet and Rosa Parks as well as timeless subjects like the Bill of Rights unspoken love faith and inspiration Our impressive team of consultants includes J D McClatchy Harvey Shapiro and former poet laureate Mark Strand From *The Norton Anthology of Poetry* 2005 edition to *Poetry after 9 11* and Garrison Keillor's *Good Poems* this new edition puts readers in touch with the best of the latest anthologies and the lasting favorites [Poetry After Modernism](#) Robert McDowell,1998 *Poetry After Modernism* Story Line's most successful anthology of criticism was recognized and widely praised for raising the level of discourse on poetry This expanded edition retains seven original essays and adds seven new

pieces As editor Robert McDowell points out Poets who can write good critical prose from distinctive points of view are the most reliable guides to the news we need to hear most *Slow as a Poem* Linda Haviland Conte,2002 *AB Bookman's Weekly* ,1988-03 *We Animals* Nadya Aisenberg,1989 Classic and contemporary poets are represented in this collection of poetry about animals **Christianity and Crisis** Reinhold Niebuhr,1983 A bi weekly journal of Christian opinion In Her Image Kathie Carlson,1990-08-18 In Her Image seeks to reconnect the very human problems of mothers and daughters with their deeper psychic roots Carlson writes with emotion about this superficially generated gap which exists between mothers and daughters and which can be healed through the process of psychic bonding Literature Martha McGowan,1989
