Push The Mule:

Tell Me a Story Dante Fabiello,2010-04 Once upon a time there was a little girl called Alexandra who asked her daddy Daddy please tell me a stooweee Well this is my story on how I created thousands of children stories These stories come from a world where animals of all kinds all talk and learn like children about life Around the age of three my daughter got tired of me reading little kiddy stories and asked me Daddy please tell me a stooweee So every night I would make up a new short story One day when she was 7 years old I decided to tape these stories so she could hear them over and over Well that went on for 7 more years with over 110 hours and over 3 000 stories There are so many stories that I will have to write many more volumes So here we are the first book is published and now kids all over the world can enjoy them as my daughter did for many years The time you spend with your child is most rewarding Never get tired of loving kissing and hugging them no matter how old they get Please view the book website by Clicking here Please view sample stories from the book by Clicking here

Push the Mule John Godfrey,2001 Poetry John Godfrey is the ultimate American bard of the prose poem and our Rilke delivering once in a lifetime epiphanies in job lots Reading him is hard because you keep hitting sentences whose truths are like heart attacks You have to pause to make sure you re not dead I love and fail with all my means he says Those means include the soul of the language that lives in all of us and will do anything seemingly that its master Godfrey require Peter Schjeldahl

The Maps of Spotsylvania Through Cold Harbor Bradley M. Gottfried,2023-01-04 The Maps of Spotsylvania through Cold Harbor continues Bradley M Gottfried s efforts to study and illustrate the major campaigns of the Civil War s Eastern Theater This is the ninth book in the ongoing Savas Beatie Military Atlas Series After three years of bloody combat in Virginia President Abraham Lincoln promoted Ulysses S Grant to general in chief in early 1864 Grant immediately went to work planning a comprehensive strategy to bring an end to the war He hungered to remain with the Western armies but realized his place was in Washington Unwilling to be stuck in an office Grant joined George Meade s Army of the Potomac His presence complicated Meade s ability to direct his army but Grant promised to stay out of his way and give only strategic directives This arrangement lasted through the Wilderness Campaign

the first action in what is now referred to as the Overland Campaign This book continues the actions of both armies through the completion of the Overland Campaign After the Wilderness fighting the Army of the Potomac attempted to swing around the right flank of Gen Robert E Lee s Army of Northern Virginia and shoot straight for Richmond The Confederate capital was never the goal the move was intended to force Lee out into the open where the larger and well stocked Union army could destroy it The head of Lee s army blunted the enemy at Spotsylvania Court House where both sides dug in Days and men were wasted on fruitless attacks until Col Emory Upton designed an audacious strike that temporarily penetrated Lee s works A much larger offensive against the Mule Shoe two days later tore the line open destroyed a Rebel division and triggered a long day of fighting More fighting convinced Grant of the folly of further attempts to crush Lee at Spotsylvania and again he swung around the Rebel right flank The march ignited almost continuous fighting at the North Anna Bethesda Church and Cold Harbor where this volume ends This study includes the various cavalry actions including those at Spotsylvania Court House Yellow Tavern Haw s Tavern and Matadequin Creek The Maps of Spotsylvania through Cold Harbor breaks down the entire operation into thirty five map sets or action sections enriched with 134 detailed full page color maps These cartographic originals bore down to the regimental and battery level and include the march to and from the battlefields and virtually every significant event in between At least two and as many as ten maps accompany each map set Keyed to each piece of cartography is a full facing page of detailed footnoted text describing the units personalities movements and combat including quotes from eyewitnesses depicted on the accompanying map all of which make the Spotsylvania story come alive This unique presentation allows readers to easily and quickly find a map and text on any portion of the campaign from the march to Spotsylvania to Cold Harbor Serious students will appreciate the extensive and authoritative endnotes and complete order of battle Everyone will want to take the book along on trips to these battlefields Perfect for the easy chair or for stomping the hallowed ground The Maps of Spotsylvania through Cold Harbor is a seminal work that belongs on the bookshelf of every serious student of the battle *State Of New York Supreme Court Appellate Division- Fourth Department* , **Low-Down & Dirty** Carrie Alford,2005-12-06 There is no available information at this time

Baseball's Most Outrageous Promotions Joseph Natalicchio,2026-01-07 In major league baseball the period between 1946 and the early 1980s represented the Era of the Barnums when certain inspired owners and executives raised to an art form the use of promotions to increase attendance This book highlights thirteen of the most outlandish such stunts in major league history These promotions go far beyond giveaways of Hawaiian shirts or unique bobbleheads They involved a battle with weapons between baseball players and fans children running willy nilly around a baseball field naked fans running the bases drunken fans trashing baseball fields fans dismantling a stadium while a game was ongoing fans managing a game from the stands women parading in wet T shirts mass weddings the Beatles playing to a half empty stadium a mule mascot treated better than players and an explosion on a baseball field large enough to create a crater Even wilder promotions are
