[A Thematic Access-Oriented Bibliography of Jesus's Resurrection](#) Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort *A Thematic Access Oriented Bibliography of Jesus s Resurrection* addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to

relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Wrestling With Wonder Marlo Schalesky, 2014-10-07 You've never seen Mary or her God like this Who is this God Who is he who calls us to surrender and then leads us on a journey of twists and turns ups and downs unlike anything we could have ever expected Who is this God who calls a young girl to birth a Savior and then watch him die on a Roman cross Who is he who fulfills every promise and yet shatters every expectation Come join Mary Jesus mother on a journey of discovery Hear the angel's call walk the long road to Bethlehem give birth in a barn search for a lost son kneel at the foot of a cross and experience the wind of the Spirit Come walk with Mary and find your own journey in hers Because life rarely turns out the way we planned Because we lose the wonder in the disappointments of life Because being highly favored does not mean being highly pampered Because Mary shows us God's passionate breath taking and unpredictable Communicator's Commentary Myron S.
