Luke Short:

Luke Short Robert L. Gale, 1981 This study is the first ever published on Luke Short This is surprising since he was uniformly praised by critics and fans alike for his absorbing characterization skillful plots and above all lively authenticity Frederick Dille Glidden known to millions of fans as Luke Short was and still is one of the most popular and respected writers of Western fiction that America has ever produced Placing Short in the pantheon of authors of popular Western fiction this study offers a brief biography and an in depth examination of the novels Jim Courtright of Fort Worth Robert K. DeArment, 2004 Timothy Isaiah Longhair Jim Courtright operated on both sides of the law and became a legend in his lifetime and after his death One of the most colorful characters from the wild and woolly days of Fort Worth's Hell's Half Acre Courtright was at various times city marshal deputy sheriff deputy U S marshal private detective hired killer and racketeer Today he is almost forgotten either as a gunfighter or a lawman except in Fort Worth Little is known about Courtright's early life though he apparently served in the Union army during the Civil War But when he arrived in the West Courtright seemed to attract trouble He was involved in a shootout during the 1886 railroad strikes and was accused of murder in New Mexico Deputies were sent to Fort Worth to escort him to New Mexico to stand trial His escape from them complete with guns hidden under a restaurant table is one of Fort Worth's most colorful stories Finally he was killed in a shootout that he apparently provoked with gambler and gunman Luke Short To this day nobody is sure what provoked that feud but Courtright was honored with the longest funeral procession Fort Worth had ever seen The myth of Courtright as legendary gunfighter was built in two previous biographies one by a novelist and the other by a Franciscan priest After exhaustive research into contemporary newspapers and other accounts and close study of the previous two books historian Robert K DeArment deconstructs the myth of Longhair Jim and reconstructs the gunfighter as a real human being complex flawed often courageous usually both honorable and dishonorable This book is a must for all those interested in the legends of the West its lawmen and its outlaws Outlaws and Gunslingers Alton Pryor, 2001 Western outlaws terrorized the country during the late 1800s and early 1900s robbing stagecoaches banks trains and merchants While they were fearsome some became folk heroes and legends The killer of Jesse James was vilified as a coward while the man he killed was worshipped by man even though he had killed several men Billy the Kid's reputation outgrew his actual deeds Legend says he killed 21 men in his 21 year life time The actual number if believed to be five The west's fastest gun was not an outlaw He was an FBI agent called Jelly Bryce He could drop a coin from shoulder height draw and shoot it before it reached his waist **Lawmen of the Wild West** Terry C. Treadwell, 2021-05-26 True stories of sheriffs marshals rangers and others in frontier law enforcement who fought to bring order to the lawless West includes photos Faced with ruthless criminals trigger happy gunslingers and assorted desperados the lawmen of the Old West tried and sometimes died in their efforts to bring some semblance of order to their towns and communities This book introduces more than thirty of them from familiar names like

Wyatt Earp and Bat Masterson to lesser known figures from Dallas Stoudenmire John Selman and Bass Reeves Some at the time believed that former criminals would make the most effective lawmen Consequently notorious gunfighters might be employed as town marshals to bring law and order to some of the most lawless of towns These lawmen had to deal with the likes of the Dalton Gang the James Brothers and the Rufus Buck Gang who thought nothing of raping and murdering innocent people just for the hell of it These outlaws would frequently hide in Indian Territory where there was no law to extradite them The only law outside of Indian Territory was that of Judge Isaac Parker who administered the rules with an iron fist the gallows at Fort Smith laid testament to his work The requirements needed to be a peace officer in the Wild West were often determined only by the individual s skill with a gun and their courage At times judgment was needed with only seconds to spare and that also meant there was the odd occasion where justice and law never quite meant the same thing The expression justice without law was never truer than in the formative years of the West and this book tells that story

Gunfighters Al Cimino,2016-08-24 Delve into the world of the Wild West and the gunslingers that populated its dusty towns and saloons *Hell's Half Acre* Richard F. Selcer,1991-01-01 Texas is a place where legends are made die and are revived Fort Worth Texas claims its own legend Hell s Half Acre a wild n woolly accumulation of bordellos cribs dance houses saloons and gambling parlors Tenderloin districts were a fact of life in every major town in the American West but Hell s Half Acre its myth and its reality can be said to be a microcosm of them all The most famous and infamous westerners visited the Acre Timothy Longhair Jim Courtright Luke Short Bat Masterson Wyatt Earp Doc Holliday Sam Bass Mary Porter Etta Place along with Butch Cassidy and his Wild Bunch and many more For civic leaders and reformers the Acre presented a dilemma the very establishments they sought to close down or regulate were major contributors to the local economy Controversial in its heyday and receiving new attention by such movies as Lonesome Dove Hell s Half Acre remains the subject of debate among historians and researchers today Richard Selcer successfully separates fact from fiction myth from reality in this vibrant study of the men and women of Cowtown s notorious Acre **Luke Short and His Era** William Robert Cox,1961 Luke L Short January 22 1854 September 8 1893 was an American Old West gunfighter cowboy U S Army scout dispatch rider gambler boxing promoter and saloon owner He was the last man standing in two of the Wild West s most well known gunfights against Charlie Storms in Tombstone Arizona Territory and Jim Courtright in Fort Worth Texas He was associated with three of the most famous saloons in the Old West the Oriental in Tombstone Arizona Territory the Long Branch in Dodge City Kansas and the White Elephant in Fort Worth Texas Wikipedia **Chronicles of Oklahoma** ,1925 **Catalog of Reprints in Series** ,1956 **Tombstone's Yesterday** Lorenzo D.
