

A man with a beard and a turban is seated at a desk, writing in a scroll with a quill. The scene is dimly lit, with several lit candles in the background and a glass of oil on the desk. The man is looking down at his work with a focused expression.

When Satan tempted
Jesus, Jesus resisted
him by knowing Who
He was, knowing Who
God is and knowing
His relationship with
His Father:

1. Man lives by more than food,
2. Only God is to be worshiped
3. There's no need to test God's love. (

Luke Following Jesus

John K. Goodrich, Mark L. Strauss

Luke Following Jesus:

Luke Sharrel Keyes, 2011-05-25 Following Jesus what an exciting spiritual adventure But Jesus said faithfulness to Him means putting aside personal priorities Readers will discover how to have the faith to follow The Upside Down Way Matthew Ingalls, 2017-02-14 Jesus life should turn our world upside down His first observers according to Luke were routinely seized with amazement both at the bending of physics making the blind see and lame walk and at the ridiculous things he did and taught A careful look at the Jesus of the Gospels sketches a man completely out of touch with conventional thinking a man radically devoted to living a shocking life for the sake of the broken and forgotten In popular depictions of Jesus today he seems to be more concerned with upholding a conventional way of life than with overturning our understanding of ourselves Jesus life story should lead more to humble servanthood than to syncretized light shows in church or the triumph of a political candidate or a well ordered and respectable lifestyle The Upside Down Way is a series of devotionals drawn from the text of Luke Each devotional is an invitation to a fresh look at the outrageous words and actions of Jesus Author and pastor Matthew Ingalls combines rigorous historical study with a voice that is unflinchingly bold reflective honest and challenging in order to elevate Luke's ridiculous Jesus to his rightful position as the fountain of Christian faith Following Jesus Phillip C. Thraikill, 2022-10-17 Two questions are braided together in Luke's Gospel Who is Jesus and what does it mean to be his student and apprentice The church has spent much of its intellectual energies on the first question but not so much on the second We are precise in our Christology and vague in our Discipleology my new word Of the four biographies that open the New Testament Luke is perhaps the best equipped to answer the question of what it means to follow Jesus along with others and what we can expect in the process Luke's Gospel is dense with story after story about Jesus's stumbling goofy persistent disciples And his second volume Acts continues the tale There is a deep continuity as Luke teaches between Jesus's original disciples and the ones who later declared their allegiance to him after his resurrection We walk in the footsteps of pioneers in this new way of living with a Jesus who is always near but just beyond sight The aim of this book is to plunder the fruits of New Testament scholarship especially the tools of rhetorical and narrative criticism to highlight what an incredible adventure came with the call to follow me Following Jesus to Jerusalem: Luke 9-19 Paul Barnett, 2012-06-01 In this study of Luke's Gospel chapters 9 to 19 Australian Bible scholar Paul Barnett traces the journey of Jesus to Jerusalem in the last stage of his earthly ministry and challenges readers to live in the light of Jesus self sacrificial humility This is a stirring call to authentic Christian discipleship **Following Jesus Christ** John K. Goodrich, Mark L. Strauss, 2019-11-19 A Comprehensive Guide to Discipleship in the New Testament and Today's World Although the concept of discipleship is an integral part of New Testament teaching it has largely faded from discussion in both the academy and the local church To revive and reclaim this teaching for believers in the twenty first century editors John Goodrich and Mark Strauss have assembled an expert team of scholars to uncover what every New Testament book

teaches about discipleship providing a comprehensive biblical picture In addition other contributors explore discipleship in the context of the local church spiritual formation and the life of the mind Together these essays point the way forward for becoming more like Jesus Christ and helping others do the same in our personal and corporate lives An impressive roster of scholars who have addressed a vital but often neglected topic in both the church and in the academy Rich with insight Following Jesus Christ represents a major advance in this essential area of study Craig A Evans Houston Baptist University We are treated here to a survey of what discipleship means in the New Testament from experts in the field and we also see some of the wider dimensions of discipleship in this important work All those wanting to understand discipleship will find this to be a valuable resource Thomas R Schreiner The Southern Baptist Theological Seminary *Following Jesus with Luke* Stonecroft Ministries,2013-01-01 What would it have been like to walk around with Jesus watching what He did and hearing what He said This ten week study will guide readers through the eyewitness accounts gathered by Luke in his Gospel As they read selected Bible passages go over straightforward explanations and applications and wrestle with open ended questions participants will find their perspective on the Son of Man the God who identified Himself with us completely forever changed About This Series Stonecroft Bible Studies encourage people to know God and grow in His love through exploration of His life transforming Word the Bible Each book is designed for both seekers and new believers and includes easy to understand explanations and applications of Bible passages and study questions **Walking with Jesus** Linda McGinn,1996 This book helps us to gain a more accurate picture of God by seeing his character displayed through the person of Jesus The author meticulously and accurately presents the life and ministry of Jesus to strengthen our faith and to empower us for walking daily with God Following Jesus William S. Kurz,2003 Following Jesus is a road map for Christians who want to imitate Christ and follow him to freedom fruitfulness and obedience It takes the reader on a guided tour through Luke and Acts offering encouragement and practical help for living each day faithfully and fully in the presence of God Written in a popular style by a renowned Scripture scholar this book provides a sure and reliably Catholic guide to Luke and Acts **Sessions with Luke: Following Jesus on the Journey to Christian Character** Timothy W. Brock,2013-04-11 Sessions with Luke is a ten lesson study designed to help participants explore and embody Christian character through reflection on biblical truths illustrated in the book of Luke Each session is followed by a thought provoking resource page of questions that allows for a deeper experience of the scriptural passages These resource pages can be used by seminar leaders during preparation and group discussion as well as in individual Bible study Timothy Brock takes readers on a journey through Luke s brilliant collection of memorable stories challenging teachings and well known parables describing the life and work of Jesus Christ Ultimately the stories found in Luke s gospel demonstrate that accepting the invitation to follow Jesus requires a radically transformed relationship with God and with other people Followers of Jesus are encouraged to emulate and to embody the character of Christ as they create a lifestyle of obedience to God and service to others **The Call to Follow Jesus** Kay

Arthur,2002-06-15 Knowing Jesus is the beginning of a lifetime adventure In this simple but magnificent study of Luke believers will discover more about how Christ lived and how they too can live as true disciples **Luke - Following Jesus**

Following Jesus William Kurz,William S. Kurz,1984-01-01 Imitation in Early Christianity Cornelis Bennema,2025-03-20 What did exhortations to follow Jesus or imitate Christ mean to early Christians Cornelis Bennema examines mimesis as a religious ethical concept in early Christianity the imitation of Jesus and other exemplars to become a better more Christlike person Situating appeals for imitation in the New Testament and Apostolic Fathers within the cultural and social context of the broader Greco Roman world Bennema shows how early Christian mimesis was not about literal replication but instead was a creative cognitive and transformative means for shaping conduct and character As part of this study Bennema explores key questions about the historic origins of early Christian mimesis the language that early Christian authors used to articulate the concept of mimesis the scope nature and workings of mimesis in each major section of early Christian literature and how early Christians navigated the challenges of imitating exemplars such as Paul or Jesus who were not physically present Offering well researched answers to these questions Bennema provides readers with a nuanced and informative picture of exhortations to imitation in the New Testament and Apostolic Fathers Interspersed Harmony of the Life and Journeys of Christ Jerome Travis,1893 A New Harmony of the Four Gospels in English George Whitefield Clark,1872 *The Spirituality of Following Jesus in John's Gospel* Sean Seongik Kim,2017-10-12 Research on following Jesus has mostly been done in terms of what Jesus followers ought to do In this unprecedented study Kim presents following Jesus in John s Gospel through the perspective of what Jesus does for his followers Following Jesus is a journey towards the place where Jesus leads his followers that is to a relationship with the Father It is ultimately participating in the Son s communion with the Father Jesus who was in the bosom of the Father descended from him and ascends to him taking his followers with him so that they may be with him where he is with the Father in glory and love Kim develops this thesis by examining the term akolouthein to follow and correlated motifs in John s Gospel **Luke - Following Jesus** Madelaine Smith,2013-06-30
