Lure Of The Labrador Wild:

The Lure of the Labrador Wild Dillon Wallace, 1905 Dillon Wallace 1863 1939 was an American lawyer outdoorsman author of non fiction fiction and magazine articles His first book The Lure of the Labrador Wild 1905 was a best seller as were many of his later books In 1900 Dillon Wallace met Leonidas Hubbard an assistant editor with Outing magazine 1 Hubbard asked Wallace to join him on an exploratory trip through Labrador the plan was to follow the Naskaupi River to Lake Michikamau a region that had yet to be explored by Europeans They departed in July 1903 but took the wrong river from the very start following the much smaller and more difficult Susan River Short on supplies with winter coming on Hubbard became ill and died of starvation Wallace made it back alive Wikiped June 2014 **The Lure Of The Labrador Wild** Dillon Wallace, 2023 Together with their Indian tour guide George Elson Leonidas Hubbard and Dillon Wallace set out in 1903 to explore a part of Labrador that had not yet been thoroughly explored by Europeans They followed the Susan Valley instead of the Nascauppee River River in their quest to investigate Lake Michikamau which led them into the heart of Labrador and onto a course for which they were unprepared The three guys immediately discovered that their adventure was rapidly turning into a battle for their lives as the chilly winter winds began to blow I was engrossed in this book and wondered how anyone could have made it through this ordeal It is nice to read of Dillon s courage and strength Incredibly they didn t grumble despite having to carry 100 pound loads of gear and a canoe while eating little to no food and walking through snow in only moccasins They also lifted each other s spirits by sharing bible tales and anecdotes about their homes

The Lure of the Labrador Wild Dillon Wallace,2018-08-11 The Lure of the Labrador Wild By Dillon Wallace 1905 e we knew Hubbard never knew A perceptible current a questioning word the turn of a paddle would have set us right No current was noticed no word was spoken and the paddle sent us straight toward those blue hills yonder where Suffering and Starvation and Death were hidden and waiting for us How little we expected to meet these grim strangers then That July day came back to me as if it had been but the day before I believe I never missed Hubbard so much as at that moment I never felt his loss so keenly as then An almost irresistible impulse seized me to go on into our old trail and hurry to the camp where we had left him that stormy October day and find if he were not after all still there and waiting for me to come back to him We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To
