Luxury Of Skepticism:

The Luxury of Skepticism Timothy Dykstal, 2001 From his close analysis of the works of the era's great philosophers Dykstal argues that the dialogue as a literary form helped to develop and subsequently transform the public sphere in late seventeenth and early eighteenth century England BOOK JACKET

Christian skepticism John Owen, 1881 **Evenings with the Skeptics** John Owen, 1881 *From Republican Polity to National Community* Paschalis Kitromilides, 2003 Toleration freedom of thought and liberation from social and intellectual convention have long been recognised as the basic tenets of Enlightenment thought and social morality In the political sphere the response of radical social criticism to these ideals led to the emergence of revolutionary claims of egalitarian social justice the Enlightenment as forerunner of the Revolution But do we need revise our understanding of Enlightenment political thought In this volume eleven scholars examine how Enlightenment political and literary concerns work in different cultural and linguistic contexts appraise Enlightenment reflection on interstate relations political morality and religious toleration and look at the challenges posed by eighteenth century radicalism and republicanism to the organisation of public life In analysing the theories underpinning Enlightenment political thought they provide a searching re-examination of the concepts of republican polity and national community and trace the emerging international theory in eighteenth century Europe and North America

A Fool's Phenomenology Stephen Tyman, 2006 This suggestive work develops a theory of spiritual growth based upon unique archetypal schema The psychological aspects are undergirded by a comprehensive metaphysics and cosmology

The Politics of Prudence Russell Kirk,2023-10-03 30th Anniversary Edition with a new introduction by Michael Federici Conservatives are guided by prudence So taught Russell Kirk 1918 1994 one of the founding fathers of American conservatism If the tradition of prudential politics has fallen on hard times its comeback might well begin in the pages of this wise book An understanding of prudence as practical wisdom the capacity of choosing the right means to attain worthy ends is much needed in our time It is the virtue most associated with the statesman Distinguishing political prudence from ideology Kirk examines ten principles events books and thinkers that have shaped the conservative mind and heart The final chapter examines the shortcomings of democracy throughout the world and the need for representative government conducted by temperate and thoughtful men and women In an eloquent epilogue Kirk calls the rising generation to the defense of order both the moral order and the social order the order of the soul and the order of society against the enemies of justice freedom and a high culture Reflecting decades of learning and practical experience this lucid book is Kirk's bequest to the young men and women of today an instruction manual for redeeming the time

Religion and the Variety of Culture Lamin O. Sanneh,1996 Here is a provocative analysis of culture in all of its variety including especially the relationship of religion and Christianity to culture Lamin Sanneh advocates reconnecting religion and Christianity to culture realizing that humanity without a sense of transcendence cannot really achieve a fulfillment that is anything but murky self centeredness According to Sanneh in light of the exigencies of postmodern times world Christianity would do well to embrace an alternative vision one of global neighborliness and then effectively model that vision as the new humanity for the twenty first century and beyond
