

Lyndon B Johnson Presidents

Mark K. Updegrove

Lyndon B Johnson Presidents:

The Presidency of Lyndon B. Johnson Vaughn Davis Bornet, 1983 Presents an assessment of the Johnson administration including the Vietnam issue The Johnson Presidency Kenneth W. Thompson, 1986 **Lyndon B. Johnson** Louann Atkins Temple, 2025-10-07 A brief biography of Lyndon B Johnson for young readers Louann Temple is a lifelong Texan with a personal passion for arts and education who believes that biography with its emphasis on personalities is ideal for introducing young people to history with its focus on events Temple is uniquely situated to write this biography for young readers as she has been personally acquainted with many important people in presidential history President Lyndon B Johnson included and she has mentored countless middle and high school students preparing them for college admission Lyndon B Johnson highlights the key events in the life of the thirty sixth president explores the life lessons afforded by his legacy and reflects on the broad historical issues during his time in the White House as president from 1963 to 1969 Lyndon B Johnson s legacy as president is memorable as he led America during a time of great cultural change and the Vietnam War Enhanced with a carefully curated selection of black and white photographs from three presidential libraries this biography for beginning historians is poised to bring the best of biography and history to a new generation of readers **Lyndon B. Johnson** Charles Peters, 2010-06-08 The towering figure who sought to transform America into a Great Society but whose ambitions and presidency collapsed in the tragedy of the Vietnam War Few figures in American history are as compelling and complex as Lyndon Baines Johnson who established himself as the master of the U S Senate in the 1950s and succeeded John F Kennedy in the White House after Kennedy s assassination on November 22 1963 Charles Peters a keen observer of Washington politics for more than five decades tells the story of Johnson s presidency as the tale of an immensely talented politician driven by ambition and desire As part of the Kennedy Johnson administration from 1961 to 1968 Peters knew key players including Johnson s aides giving him inside knowledge of the legislative wizardry that led to historic triumphs like the Voting Rights Act and the personal insecurities that led to the tragedy of Vietnam Peters s experiences have given him unique insight into the poisonous rivalry between Johnson and Robert F Kennedy showing how their misunderstanding of each other exacerbated Johnson s self doubt and led him into the morass of Vietnam which crippled his presidency and finally drove this larger than life man from the office that was his lifelong ambition Lyndon B. Johnson Megan M. Gunderson, 2016-08-15 This biography introduces readers to the life of Lyndon B Johnson including his military service early political career and key events from Johnson s administration including the Civil Rights Act the Vietnam War and the Voting Rights Act Information about his childhood family personal life and retirement years is included A timeline fast facts and sidebars provide additional information Aligned to Common Core Standards and correlated to state standards Big Buddy Books is an imprint of Abdo Publishing a division of ABDO *Lyndon B. Johnson* Randy Schultz, 2002 Explores the life of our nation s thirty sixth president whose administration became known for his Great Society politics and its involvement in the

Vietnam War Indomitable Will Mark K. Updegrave,2012 A comprehensive oral history of Johnson's presidency is presented in the words of the 36th President and some of his closest associates offering insight into his perspectives on the sweeping changes affecting his time from Medicare and civil rights to his anti poverty legislation and the Vietnam War By the author of *Second Acts* 50 000 first printing *Lyndon B. Johnson* Jean Kinney Williams,2005 The Encyclopedia of Presidents offers authoritative biographies of each president since 1789 when George Washington was first sworn in The stories of these key figures and historic events paint a full and lively picture of our nation Each biography includes color illustrations a timeline boxed features on events and people of special interest and lively text introducing the featured president and the times in which he lived Texan Lyndon B Johnson was the most powerful man in Congress in 1960 when John F Kennedy chose him to run for vice president Johnson was admired and feared for his effective but overbearing use of power In November 1963 he became president when President Kennedy was assassinated and he was elected to a full term in 1964 A champion of civil rights for African Americans Johnson passed the Civil Rights Act of 1964 and the Voting Rights Act of 1965 He originated Head Start and other programs to improve educational and economic opportunities for the poor His successes were overshadowed by the growing war in Vietnam He increased the number of U S troops there and ordered heavy bombing of enemy territories As resistance to the war grew Johnson's popularity declined He announced in March 1968 that he would not run for another term In January 1969 he left office replaced by Republican Richard Nixon Lyndon Baines Johnson Melissa Maupin,2008-01-01 Presents the life career and accomplishments of the thirty sixth president of the United States Indomitable Will (Enhanced Edition) Mark Updegrave,2012-04-03 With more than a hundred photos videos recorded phone conversations letters and speeches this enhanced eBook edition of *Indomitable Will* brings to life the presidency of Lyndon B Johnson like never before Nearly fifty years after being sworn in as president of the United States in the wake of John F Kennedy's assassination Lyndon Baines Johnson remains a largely misunderstood figure His force of personal mastery of power and the political process and boundless appetite for social reform made him one of the towering figures of his time But he was one of the most protean and paradoxical of presidents as well Because of his flawed nature and inherent contradictions some claimed there were as many LBJs as there were people who knew him Intent on fulfilling the promise of America Johnson launched a revolution in civil rights federal aid to education and health care for the elderly and indigent and expanded immigration and environmental protection A flurry of landmark laws he would sign an unparalleled 207 during his five years in office including the Civil Rights Act of 1964 Voting Rights Act of 1965 Elementary and Secondary Education Act Head Start and Medicare are testaments to the triumph of his will His War on Poverty alone brought the U S poverty rate down from 20 percent to 12 percent the biggest one time drop in American history As president he was known for getting things done At the same time Johnson's presidency and the fulfillment of its own promise was blighted by his escalation of an ill fated war in Vietnam that tore at the fabric of America and saw the loss of 36 000 U S troops by the end of his term

Presidential historian Mark K Updegrave offers an intimate portrait of the endlessly fascinating LBJ his extraordinarily eventful presidency and the turbulent times in which he served We see Johnson in his many guises and dimensions the virtuoso deal maker using every inch of his six foot three inch frame to intimidate his subjects the relentless reformer willing to lose southern Democrats from his party for a generation in his pursuit of civil rights for all Americans and the embattled commander in chief agonizing over the fate of his boys in Vietnam including his two sons in law yet steadfast in his determination to thwart Communist aggression through war or an honorable peace Through original interviews and personal accounts from White House aides and Cabinet members political allies and foes and friends and family from Robert McNamara to Barry Goldwater Lady Bird Johnson to Jacqueline Kennedy as well as through Johnson's own candid reflections and historic White House telephone conversations **Indomitable Will** reveals LBJ as never before For it is through firsthand narrative more than anything writes Updegrave that Lyndon Johnson who teemed with vitality in his sixty four years and remains enigmatic nearly four decades after his passing comes to life

Public Papers of the Presidents of the United States, Lyndon B. Johnson Estados Unidos. Presidente (1963-1969: Johnson), 1965 Lyndon B. Johnson Robert Dallek, 2005 This superb one volume biography of Lyndon Baines Johnson is by the bestselling author of *An Unfinished Life* John F Kennedy 1917-1963

American Legends Charles River Editors, 2025-05-06 The presidency has made every man who occupied it no matter how small bigger than he was and no matter how big not big enough for its demands Lyndon B Johnson A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known Of all the politicians who have left their mark on American history few have had a political career or list of accomplishments and accolades that can even come close to rivaling Lyndon B Johnson Johnson is one of only 4 Americans to serve as a House Rep U S Senator Vice President and President and he made the most out of each experience The hard nosed Texas Democrat became one of the legendary strongmen in the Senate mastering that political body from 1949-1961 and spending six years as Senate Majority Leader two as Senate Minority Leader and two as Senate Majority Whip A fateful chain of events propelled then propelled Johnson from Capitol Hill to the White House After Johnson's failed run for the Democratic nomination in 1960 winner John F Kennedy chose Johnson as his running mate over his brother Bobby's objections Kennedy figured Johnson's Texas roots would help balance Kennedy's decidedly Northeastern appeal as well as adding a sense of age experience and gravitas to the younger Kennedy's campaign While this was all true and did indeed help Kennedy win the election in 1960 his assassination ultimately brought Johnson to the presidency Kennedy has been nostalgically and fondly remembered for his youth vigor and sense of unfinished potential but it would be President Johnson who would bring much of the agenda to fruition To the surprise of many the Southern Democrat relied on his wealth of Senate experience and dogged

determination to help push through an ambitious and progressive social agenda that formed the backbone of modern American society Known as the Great Society President Johnson s legislation included the landmark Civil Rights Act of 1964 as well as the establishment of Medicare Medicaid environmental protection and the War on Poverty Everything from the National Endowment for the Arts to the Environmental Protection Agency has its roots in Johnson s presidency Had Johnson s presidency included just his domestic agenda he would have unquestionably been one of America s greatest presidents Unfortunately as he was engineering a new social contract at home he was ramping up American military participation in a tiny country thousands of miles away in Southeast Asia For a man who accomplished so much at home it s ironic and tragic that his presidency and legacy were permanently marred by his escalation in the costly and contentious Vietnam War a military quagmire and public relations disaster that compelled Johnson not to run for reelection in 1968 American Legends The Life of Lyndon B Johnson chronicles the amazing life of the president examines his unprecedented legislative accomplishments and analyzes the controversial Vietnam War and Johnson s mixed legacy Along with pictures of important people places and events you will learn about LBJ like you never have before in no time at all *Public Papers of the Presidents of the United States: Lyndon B. Johnson, 1965* Johnson, Lyndon B.,1966-01-01 *Public Papers of the Presidents of the United States* **Public Papers of the Presidents of the United States: Lyndon B. Johnson, 1966** Johnson, Lyndon B.,1967-01-01 *Public Papers of the Presidents of the United States* **The Thirty-first of March** Horace Busby,2006-02-21 An intimate compulsively readable memoir by LBJ s closest aide and chief speechwriter I have made up my mind I can t get peace in Vietnam and be President too So begins this posthumously discovered account of Lyndon Johnson s final days in office The Thirty first of March is an indelible portrait of a president and a presidency at a time of crisis and spans twenty years of a close working and personal relationship between Johnson and Horace Busby It was Busby s job to put a little Churchill into Johnson s orations and his skill earned him a position of trust in Johnson s staff from the earliest days of Johnson s career as a congressman in Texas to the twilight of his presidency From the aftermath of the Kennedy assassination when Busby was asked by the newly sworn in President to sit by his bedside during his first troubled nights in office to the concerns that defined the Great Society Busby not only articulated and refined Johnson s political thinking he helped shape the most ambitious far reaching legislative agenda since FDR s New Deal Here is Johnson the politician Johnson the schemer Johnson who advised against JFK riding in an open limousine that fateful day in Dallas and Johnson the father sickened by the men fighting and dying in Vietnam on his behalf The Thirty first of March is a rare glimpse into the inner sanctum of Johnson s presidency **Lyndon B. Johnson** Debbie Levy,2002-07-01 Chronicles the life of the thirty sixth president from his Texas roots to his impact on the War on Poverty the civil rights movement and the programs of the Great Society Lyndon Baines Johnson Thomas Langston,2002-08 Now that much of the political and emotional heat that Johnson 1908 73 generated during his political career has cooled Langston political science Tulane U assesses his leadership

as president of the US and what it has meant to the country and the world After a biographical sketch he considers campaigns and elections administration policies crises and flashpoints institutional relations and retirement Each chapter appends several relevant documents Annotation copyrighted by Book News Inc Portland OR **Lyndon B. Johnson** Kevin Blake,2016 Front Cover Title Page Credits Copyright Contents A Boy from Texas A Caring Teacher Master of the Senate Vice President A Great Society The Vietnam War Remembering LBJ Timeline Facts and Quotes Glossary Index Read More Learn More Online *Lyndon B. Johnson* Jim Hargrove,1987 Surveys the life of the Texas politician who became America s thirty sixth president and faced great public controversy during the war in Vietnam

Whispering the Techniques of Language: An Psychological Journey through **Lyndon B Johnson Presidents**

In a digitally-driven earth where displays reign great and immediate conversation drowns out the subtleties of language, the profound secrets and emotional subtleties hidden within words usually go unheard.
