## **Lyrics Of Sunshine And Shadow:**

**Lyrics of Sunshine and Shadow** Paul Laurence Dunbar, 2021-05-11 Lyrics of Sunshine and Shadow 1905 is a collection of poems by African American author Paul Laurence Dunbar Published while Dunbar was suffering from tuberculosis alcoholism and depression Lyrics of Sunshine and Shadow builds on his reputation as an artist with a powerful vision of faith and perseverance who sought to capture and examine the diversity of the African American experience In The Place Where the Rainbow Ends Dunbar perhaps reflecting on his proximity to death provides a simple song with a cautionary utopian vision of hope and happiness Oh many have sought it And all would have bought it With the blood we so recklessly spend But none has uncovered The gold nor discovered The spot at the rainbow s end Meditative and bittersweet Dunbar rejects wealth and power as a means of achieving fulfillment looking instead to establish an inner peace for himself that he might find without motion The place where the rainbow ends a place where care shall be quiet And love shall run riot And he shall find wealth in his friends Whether a vision of heaven or of the possibility of peace on earth this poem finds echoes across Dunbar s penultimate volume Nearing death at such a young age he prepares himself to lose the life he had fought so hard to achieve a life devoted to reaching the hearts and minds of others As we all must he ends on a question opening himself to the unknown without losing hope for the possibility of peace and reunion to come Where shall we meet who knows who knows In the reader his song carries on With a beautifully designed cover and professionally typeset manuscript this edition of Paul Laurence Dunbar s Lyrics of Sunshine and Shadow is a classic of African American literature reimagined for modern readers

**Talk with You Like a Woman** Cheryl D. Hicks, 2010-12-13 With this book Cheryl Hicks brings to light the voices and viewpoints of black working class women, especially southern migrants who were the subjects of urban and penal reform in early twentieth century New York. Hicks compares the ideals of racial uplift and reform programs of middle class white and black activists to the experiences and perspectives of those whom they sought to protect and often control. In need of support as they navigated the discriminatory labor and housing markets and contended with poverty, maternity, and domestic violence, black women instead found themselves subject to hostility from black leaders, urban reformers, and the police. Still, these black working class women struggled to uphold their own standards of respectable womanhood. Through their actions as well as their words, they challenged prevailing views regarding black women and morality in urban America. Drawing on extensive archival research, Hicks explores the complexities of black working class women's lives and illuminates the impact of racism and sexism on early twentieth century urban reform and criminal justice initiatives.
