Sapphos Leap:

Sappho's Leap Erica Jong, 2013-10-08 The 1 New York Times bestselling author of *Fear of Flying* brings the seductive Greek poet to life in this enormously entertaining tale. Booklist As she stands poised at the edge of a precipice in the shadow of the sanctuary of Apollo the greatest love poet who ever was or ever will be recalls the eventful fifty years that have led her to this moment. It was love that seduced her at age sixteen into an ill fated plot with the poet Alcaeus to depose the despot of the island of Lesbos. It was love that made her trade the unwanted marriage bed of an old despised and drunken husband for a seemingly endless series of lovers both male and female. For Sappho life has always been a banquet to be savored to the fullest a strange and sensual odyssey that has carried her to the far corners of the ancient world. Devoted to the goddess Aphrodite and granted the gift of immortal song she has followed her magnificent destiny from Delphi to Egypt to the land of the Amazons the realm of the centaurs and into the stygian depths of Hades itself often in the company of her companion and friend the fabulist slave Aesop. Through every grand affair and every wild adventure she has remained forever true to her heart her passion and herself right up to this the end of everything. Combining evocative and realistic detail with unabashedly outrageous invention Erica Jong's *Sappho's Leap* is a flawless gem of historical fiction boldly imagined by one of America's most enthralling storytellers. This ebook features an illustrated biography of Erica Jong including rare photos and never before seen documents from the author's personal collection.

Sappho's Leap Erica Jong, 2005-12 *Sappho's Leap* is a journey back 2000 years to inhabit the mind of the greatest love poet the world has ever known. At the age of 14 Sappho is seduced by the beautiful poet Alcaeus plots with him to overthrow the dictator of the island and is caught and married off to a repellent older man in the hope that matrimony will keep her out of trouble. Instead however it starts her off on a series of amorous adventures taking her from Delphi to Egypt and even to the Land of the Amazons and the shadowy realm of Hades.

Sappho Sappho, 1895 **Sappho and Her Influence** David Moore Robinson, 1924 *The Cambridge Companion to Sappho* P. J. Finglass, Adrian Kelly, 2021-04-29 A detailed up to date survey of the most important woman writer from Greco Roman antiquity. Examines the nature and context of her poetic achievement the transmission loss and rediscovery of her poetry and the reception of that poetry in cultures far removed from ancient Greece including Latin America India China and Japan.

The Songs of Sappho Sappho, Marion Mills Miller, 1925 [Victorian Sappho](#) Yopie Prins, 2020-12-08 What is Sappho except a name. Although the Greek archaic lyrics attributed to Sappho of Lesbos survive only in fragments she has been invoked for many centuries as the original woman poet singing at the origins of a Western lyric tradition. Victorian Sappho traces the emergence of this idealized feminine figure through reconstructions of the Sapphic fragments in late nineteenth century England. Yopie Prins argues that the Victorian period is a critical turning point in the history of Sappho's reception what we now call Sappho is in many ways an artifact of Victorian poetics. Prins reads the Sapphic fragments in Greek alongside various English translations and imitations considering a wide range of Victorian poets male and female.

famous and forgotten who signed their poetry in the name of Sappho By declining the name in each chapter the book presents a theoretical argument about the Sapphic signature as well as a historical account of its implications in Victorian England Prins explores the relations between classical philology and Victorian poetics the tropes of lesbian writing the aesthetics of meter and nineteenth century personifications of the Poetess as current scholarship on Sappho and her afterlife Offering a history and theory of lyric as a gendered literary form the book is an exciting and original contribution to Victorian studies classical studies comparative literature and women s studies *Fictions of Sappho, 1546-1937* Joan DeJean,1989-10-18 Considering Sappho as a creature of translation and interpretation a figment whose features have changed with social mores and aesthetics Joan DeJean constructs a fascinating history of the sexual politics of literary reception The association of Sappho with female homosexuality has made her a particularly compelling and yet problematic subject of literary speculation and in the responses of different cultures to the challenge the poet presents DeJean finds evidence of the standards imposed on female sexuality through the ages She focuses largely though not exclusively on the French tradition where the Sapphic presence is especially pervasive Tracing re creations of Sappho through translation and fiction from the mid sixteenth century to the period just prior to World War II DeJean shows how these renderings reflect the fantasies and anxieties of each writer as well as the mentalit of his or her day **The Complete Works: The miser.**
