## Lydia Bailey:

*An Extensive Republic* Robert A. Gross, Mary Kelley, 2010 This impressive collaborative effort by two dozen leading authorities in the field will be essential reading for any serious student of the history of American publishing and print culture during one of its most crucially transformative periods Lawrence Buell Harvard University A magnificent achievement Brilliant editing and graceful writing shatter many old assumptions about the world of the Founders Linking intellectual history with politics social change and the distinctive experiences of women African Americans and Indians *An Extensive Republic* is the rare reference book that is also a mesmerizing read Linda K Kerber author of *No Constitutional Right to Be Ladies Women and the Obligations of Citizenship* This volume provides a fascinating revisionist history of the United States through its focus on what was printed how the economy of the book trades worked who was reading and what role reading came to assume in all sorts of people s lives Editors Gross and Kelley make a strong team and the contributors represent an array of disciplines suitable to the equally wide range of printed material in the United States between 1790 and 1840 Patricia Crain New York University Volume 2 of *A History of the Book in America* documents the development of a distinctive culture of print in the new American republic Between 1790 and 1840 printing and publishing expanded and literate publics provided a ready market for novels almanacs newspapers tracts and periodicals Government business and reform drove the dissemination of print Through laws and subsidies state and federal authorities promoted an informed citizenry Entrepreneurs responded to rising demand by investing in new technologies and altering the conduct of publishing Voluntary societies launched libraries lyceums and schools and relied on print to spread religion redeem morals and advance benevolent goals Out of all this ferment emerged new and diverse communities of citizens linked together in a decentralized print culture where citizenship meant literacy and print meant power Yet in a diverse and far flung nation regional differences persisted and older forms of oral and handwritten communication offered alternatives to print The early republic was a world of mixed media

**Slave Revolt on Screen** Alyssa Goldstein Sepinwall, 2021-05-28 Recipient of the 2021 Honorary Mention for the Haiti Book Prize from the Haitian Studies Association In *Slave Revolt on Screen The Haitian Revolution in Film and Video Games* author Alyssa Goldstein Sepinwall analyzes how films and video games from around the world have depicted slave revolt focusing on the Haitian Revolution 1791 1804 This event the first successful revolution by enslaved people in modern history sent shock waves throughout the Atlantic World Regardless of its historical significance however this revolution has become less well known and appears less often on screen than most other revolutions its story involving enslaved Africans liberating themselves through violence does not match the suffering slaves waiting for a white hero genre that pervades Hollywood treatments of Black history Despite Hollywood s near silence on this event some films on the Revolution do exist from directors in Haiti the US France and elsewhere *Slave Revolt on Screen* offers the first ever comprehensive analysis of Haitian Revolution cinema including completed films and planned projects that were never made

In addition to studying cinema this book also breaks ground in examining video games a pop culture form long neglected by historians Sepinwall scrutinizes video game depictions of Haitian slave revolt that appear in games like the Assassin s Creed series that have reached millions more players than comparable films In analyzing films and games on the revolution Slave Revolt on Screen calls attention to the ways that economic legacies of slavery and colonialism warp pop culture portrayals of the past and leave audiences with distorted understandings

The History of Canaan, New Hampshire William Allen Wallace,1910

Supreme Court, Appellate Division- First Department , **Lydia Bailey** Kenneth Roberts,2021-02 A fascinating thoroughly researched historical novel of Haiti and Africa and the early United States outlining Haitians battle for freedom seen through the eyes of one man It features Albion Hamlin who comes to Boston in 1800 to defend a man accused of violating the Alien and Sedition Act In a whirlwind of action Hamlin is jailed then escapes to Haiti in search of his client s daughter Lydia Bailey with whom he has fallen in love simply by gazing at her portrait
