Ma Tzu The Empty Mirror:

Ma Tzu: The Empty Mirror Osho, 2024-05-07 The problem with Zen is that it wants you to be utterly simple not special It goes against the very desire of the mind which is not a small phenomenon it is a four million years old desire which everybody is carrying in different lives Mind cannot understand why you should be simple when you could be special why you should be humble when you could be powerful And mind is heavy it has the great weight of the past The moment the mind sees anyone humble simple natural a buddha it immediately condemns him because such a man goes against the whole makeup of the human mind
