Debating the Canon L. Morrissey,2016-05-24 Over the past two decades the debate over the Great Books has been one of the key public controversies concerning the cultural content of higher education Debating the Canon provides a primary source overview of these ongoing arguments Many of these contributions to this debate have achieved canonical status themselves through the focus on the canon the full spectrum of approaches to literary studies can be seen in the essays Therefore this collection places the recent debate within a larger context of literary criticism s development of a canon going back to the eighteenth century

The Gift of Death Jacques Derrida,1996-06 In The Gift of Death Jacques Derrida s most sustained consideration of religion to date he continues to explore questions introduced in Given Time about the limits of the rational and responsible that one reaches in granting or accepting death whether by sacrifice murder execution or suicide Derrida analyzes Patocka s Heretical Essays on the History of Philosophy and develops and compares his ideas to the works of Heidegger Levinas and Kierkegaard A major work The Gift of Death resonates with much of Derrida s earlier writing and will be of interest to scholars in anthropology philosophy and literary criticism along with scholars of ethics and religion The Gift of Death is Derrida s long awaited deconstruction of the foundations of the project of a philosophical ethics and it will long be regarded as one of the most significant of his many writings Choice An important contribution to the critical study of ethics that commends itself to philosophers social scientists scholars of religion and those made curious by the controversy that so often attends Derrida Booklist Derrida stares death in the face in this dense but rewarding inquiry Provocative Publishers Weekly
