Sarantine Mosaic:

The Sarantine Mosaic Guy Gavriel Kay, 2012-04-03 For the first time in one collection the two internationally bestselling novels of *The Sarantine Mosaic* one of Guy Gavriel Kay's most loved works *Sailing to Sarantium* Sarantium is the golden city holy to the faithful exalted by the poets jewel of the world and heart of an empire Artisan Caius Crispus receives a summons from the emperor and sets off on a journey toward the Imperial City But before Crispin can reach Sarantium with its taverns and gilded sanctuaries chariot races and palaces he must pass through a land of pagan ritual and mysterious danger *Sailing to Sarantium* the first volume of the brilliant *Sarantine Mosaic* weaves an utterly compelling story of the allure and intrigue of a magnificent city and the people drawn into its spell *Lord of Emperors* Having finally achieved his journey to fabled Sarantium Crispin the mosaicist wants nothing more than to confront the challenges of his art high on the scaffolding of destiny but in Sarantium no man may easily withdraw from the turmoil of court and city or forget that the presence of the half world is always close by To the Imperial City there comes another voyager this time from the east Rustem of Kerakek a physician must find his own balance of family and ambition healing and death as he too is drawn into the deadly webs of Sarantium In this concluding volume of the *Sarantine Mosaic* *Lord of Emperors* merges page turning adventure with a deeply moving meditation on art and power and the eternal human struggle to leave a legacy **Lord of Emperors** Guy Gavriel Kay, 2010-10-05 Guy Gavriel Kay multiple award winning author of *The Fionavar Tapestry* and *Sailing to Sarantium* completes his magnificent tale of an alternate Byzantine world In the golden city of Sarantium a renowned mosaicist seeks to fill his artistic ambitions and his destiny high upon a dome intended to be the emperor's enduring sanctuary and legacy The beauty and solitude of Crispin's work cannot protect him from the dangerous intrigues of court and city swirling with rumors of war and conspiracy while otherworldly fires mysteriously flicker and disappear in the streets at night The emperor is plotting a conquest of Crispin's homeland to regain an empire And with his fate entwined with that of his royal benefactor Crispin's loyalties come with a very high price And another voyager has come to the imperial city Rustem of Kerakek a physician from an eastern desert kingdom determined to find his own fate amid the shifting treacherous currents of passion and violence that define Sarantium *Sailing to Sarantium* Guy Gavriel Kay, 2010-09-07 Guy Gavriel Kay the international bestselling and multiple award winning author of *The Fionavar Tapestry* brings his unique storytelling imagination to an alternate Byzantine world Sarantium is the golden city holy to the faithful exalted by the poets jewel of the world and heart of an empire Caius Crispus known as Crispin is a master mosaicist creating beautiful art with colored stones and glass Still grieving the loss of his family he lives only for his craft until an imperial summons draws him east to the fabled city Bearing with him a Queen's secret mission and seductive promise and a talisman from an alchemist Crispin crosses a land of pagan ritual and mortal danger confronting legends and dark magic Once in Sarantium with its taverns and gilded sanctuaries chariot races and palaces intrigues and violence Crispin must find his own source of power in order to survive He finds it unexpectedly high on

the scaffolding of his own greatest creation **Lord of Emperors** Guy Gavriel Kay,2016-10-04 In this concluding volume of the two part Sarantine Mosaic Guy Gavriel Kay brilliantly merges his dramatic homage to Byzantine with a moving meditation on art and power and the eternal human struggle to leave a legacy Sarantium is the golden city holy to the faithful jewel of the world The western mosaicist Crispin has arrived in the glittering capital to begin work inside a grand sanctuary Confronting the challenges of his art high on the scaffolding of destiny he discovers that no one can withdraw from the dangerous affairs of court and city For Rustem a physician from the east a fateful moment as he saves the life of his own king sends him on a course toward the opulence of Sarantium Reluctantly he finds himself drawn into a web of intrigue to discover that his own path will have to go far beyond that of a healer The Lions of Al-Rassan Guy Gavriel Kay,2012-06-19 Award winning author Guy Gavriel s sixth novel hauntingly evocative of medieval Spain is both a brilliant adventure and a moving story of love divided loyalties and what happens to men and women when hardening beliefs begin to remake or destroy a world The ruling Asharites have come from the desert sands worshipping the stars their warrior blood fierce and pure But over centuries seduced by the sensuous pleasures of their new land that stern piety has eroded The Asharies empire has splintered into decadent city states lead by warring petty kinds King Almalik of Cartada is on the ascendancy adding city after city to his realm even though Cartada is threatened by forces both within and without Almalik is aided by his friend and advisor the notorious Ammar ibn Khairan poet diplomat soldier until a summer afternoon of savage brutality changes their relationship forever Meanwhile in the north the Jaddite s most celebrated and feared military leader Rodrigo Belmonte is driven into exile in the wake of events following the death of the king he loved Rodrigo leads his mercenary company south to the dangerous lands of Al Rassan In the exquisite lakeside city of Ragosa Rodrigo Belmonte and Ammar ibn Kharian meet and serve for a time the same master Sharing the interwoven fate of these two men from different worlds and increasingly torn in her feelings is Jehane the beautiful accomplished court physician whose own skills play an increasing role as Al Rassan is swept to the brink of holy war and beyond The Literary Role of History in the Fiction of J. R. R. Tolkien Nicholas Birns,2023-12-22 This volume analyzes the literary role played by history in the works of J R R Tolkien It argues that the events of The Lord of the Rings are placed against the background of an already existing history both in reality and in the fictional worlds of the books History is unfolded in various ways both in explicitly archival annals and in stories told by characters on the road or on the fly and in which different visions of history emerge In addition the history within the work can resemble or be patterned on histories in our world These histories range from the deep past of prehistoric and ancient worlds to the early medieval era of the barbarian invasions and Byzantium to the modern worlds of urbane civility and a paradoxical longing for nature and finally to great power rivalries and global prospects The book argues that Tolkien did not employ these histories indiscriminately or reductively Rather he regarded them as aspects of aesthetic and representative figuration that are above all literary While most criticism has concentrated on Tolkien s use of historical traditions of

Northern Europe this book argues that Tolkien also valued Southern and Mediterranean pasts and registered the Germanic and the Scandinavian pasts as they related to other histories as much as his vision of them included a primeval mythic aura
