MODEL T

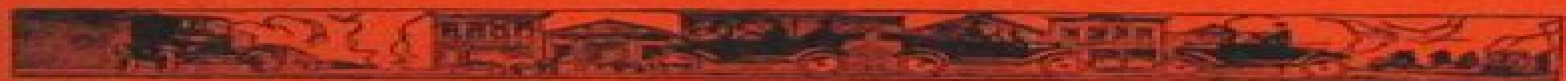

FORD OWNERS'

Supply Book

In that wonderful age when MODEL T gave wing to the horse-drawn world of the working man, supplying accessories and replacement parts became a vast operation, eclipsed in size only by the merchandising of the car itself . . . This complete reproduction of a catalog from the height of the era originally was issued by the largest supplier in the field. It will have significance for the historian, and may both delight and frustrate the planetary Fordist of today.
